

John Carroll High School
2010-2011 Annual Giving Campaign
Press Release

**John Carroll High School Strives to Celebrate the Past, Embrace the Present,
and Cultivate the Future through its 2010-2011 Annual Giving Campaign**

The 2010-2011 John Carroll High School Annual Giving Campaign has officially kicked off! The year-long campaign is an opportunity for the community to help celebrate the school's past, embrace its future, and cultivate the future of Christian education on the Treasure Coast.

John Carroll prides itself on giving students the foundation of a Catholic-Christian character combined with a quality education by providing the tools necessary to become morally strong and successful in their collegiate years and beyond. John Carroll is proud to offer an atmosphere in which students receive individualized attention on a daily basis, inside and outside of the classroom.

Donations for the annual giving campaign may be made through a variety of avenues including planned gifts, personalized scholarships, memorial gifts, as well as pledges and gifts of multiple payments. We also gladly honor any request that your gift be spent on specific needs, buildings, or departments.

For more information on the annual giving campaign, please contact Jennifer Trefelner, Director of the Office of Institutional Advancement, at John Carroll High School (772) 464-5200 or by emailing alumni@johncarrollhigh.com. You can also find the information and make online donations at www.JohnCarrollHigh.com.

*John Carroll High School students want to know if you, “Did you receive your Annual
Publication which contains the 2010 Annual Giving Campaign information?”*
