

## Chevy Drive for Perfection

- Chevy Drive for Perfection targets high school seniors and provides additional incentive for seniors to finish their high school careers strong in order to adequately prepare for post-secondary education and/or workforce.
- Seniors must have 98% or better attendance for their senior year and NO unexcused absences.
- The JCHS Guidance Department will be responsible for providing names of qualified students. This list will only be used to send letters to each high school for each student on the list as well as to check students in at the end of the year event.
- Bill Shultz Chevrolet will select a venue for the end of the year event where the 2011 Chevy Cruze will be given away to one lucky student.
- All students who achieve 98% or better attendance as of the 180<sup>th</sup> day of the school year are invited to the end of the year event.
  - This does not qualify them for the drawing because students MUST be present to be eligible to win.
  - A reverse drawing is done which means the last student standing wins the vehicle.
- At the end of the year event, each student walks away with a Chevy Drive for Perfection t-shirt. We also provide prizes such as but not limited to: Wii, MAC Notebook, IPOD, gift cards, etc.
