

Congratulations to JCHS's Katherine Leu

John Carroll High School student Katherine Leu recently learned she is now a member of the National Society of High School Scholars. "I was so excited to learn that I had been accepted to the group!" The Society recognizes top scholars and invites only those students who have achieved academic excellence.

Mr. Claes Nobel, NSHSS Founder and Chairman, commented that Katherine is now a member of a very unique community of scholars- a community that represents our very best hope for the future. As a member Katherine is now entitled to numerous scholarship opportunities, academic competitions, free events, members-only resources, publications, participation in programs offered by educational partners, online forums, personalized recognition items, and publicity honors.

Katherine is a proud member of Student Government, Students Against Destructive Decisions, Computer Club, Anchor Club, Youth for Life, Envirothon, National Honor Society, Fellowship of Christian Athletes, and SEA- an environmental action club.

"My favorite thing about John Carroll has been the individual attention that each student receives. You are a person here, not a number," remarked Katherine when asked about her experience at JCHS.

John Carroll High School proudly serves students from Indian River, St. Lucie, Martin, Okeechobee, and Palm Beach Counties. The private, Catholic high school is the only one in the four-county area and currently educates more than 425 students grades 9-12. To learn more about John Carroll High School and the programs offered, please visit www.JohnCarrollHigh.com.

Congratulations to John Carroll High School student Katherine Leu for being recognized for superior academic achievement by the National Society of High School Scholars.
