A letter from the President

Dear Friends of John Carroll,

There is nothing quite as exciting as a new beginning or a new venture. Most of us enjoy a challenge that will foster positive growth and development. That is what this new 2005-2006 academic year brings to us at our beloved John Carroll Catholic High School! As I write this message, we have welcomed all of our new and returning students and look forward to a great new year filled with blessings and challenges!

I am again happy to announce our new Principal, Mr. Ben Hopper. Mr. Hopper was formerly our Dean of Students and has been on faculty at the school, for the past five years and is also an alumnus. He is extremely dedicated to the mission and values of our school and his enthusiasm and ideas have already reaped wonderful rewards. I would like to thank the members of our search committee for their hard work. I am confident that our new Principal is the best man for the job! I would like to welcome all of our new faculty staff and students to the John Carroll family!

We have certainly been busy over the summer months making improvements and changes to enhance our campus. Under the direction of our Director of Facilities, Mr. Jeff Guettler, we have added a new classroom, a new textbook storage room, a new chapel that seats 33 people, a new faculty office, and we have moved the faculty lounge.

We are in the process of renovating the student bathrooms by the gymnasium and have installed new carpeting in a number of the classrooms. We have also painted the downstairs classrooms in the main building. Our art teacher, Mrs. Cross, has also worked hard to improve the art classroom. We will use the chapel this year to hold individual class liturgies and services to foster the continued spiritual growth of our students. So, as you can see, we have been hard at work to make John Carroll the best it can be!

This year our freshman class is our largest, with an enrollment of 147. Our total enrollment is 512. We are hopeful that these numbers signal a continuing increase in student population for the future. We are continuing our work on plans for a new auditorium/classroom building as we strive to look to the future needs of our school and to remain competitive.

As always, we could not accomplish these things that we do without your continued help and support! On behalf of the entire faculty and staff, I thank you, the members of our John Carroll family and our friends in the community. We are so proud of our dedicated alumni! Please join us throughout the year at our school sponsored events and programs. May God bless us and grant us a successful year!

Sincerely Yours in Christ,

Rev. Thomas E. Barrett
President

A letter from the Alumni Director

Dear Alumni and Friends,

Welcome to another wonderful John Carroll school year! The year is off to an exciting start. There are many events and activities planned for this year, so please save the dates on your calendar.

On September 1st, the 2005-2006 Annual Giving Campaign offican began. The year-long campaign is an opportunity for Alumni, parents, and friends of John Carroll to celebrate the blessings that the school has provided to the community and to ensure a brighter future for its students.

Last year you helped make the Annual Giving Campaign the most successful in the history of John Carroll, raising more than \$42,000! It is our goal this year to surpass that amount. As of this newsletter, we have raised more than \$20,000!

Don't forget, John Carroll now welcomes donations in several different ways. You can honor someone special in your life who has passed away by making a Memorial Gift in his or her name. Local businesses or individuals have the opportunity to create a scholarship in their name while determining the criteria, providing the funding, and selecting the recipient. Multiple payments toward a pledge are also welcomed.

Each donation category comes with perks such as preferred corporate advertising, tickets to the annual gala, complimentary rounds of golf in the school tournament, preferred football parking, and much more!

If you did not receive a brochure or would like more information, please contact the school or visit the website, www.JohnCarrollHigh.com. I have also included information on the back page of the newsletter.

Our first alumni event for the year is the Homecoming Party. The party will be held on October 22nd, the evening of the Homecoming football game. Please join us for complimentary drinks, hot and cold hors d'oeuvres, dinner and dessert.

We will have lots of free John Carroll merchandise to give away to all the alumni. The event will begin at 6:30 pm and will be located at the southeast end of the football stadium.

Congratulations to **Ben Hopper** (1996) for his promotion to Principal! Mr. Hopper's enthusiasm, insight, and leadership have already made a positive impact on campus.
