

Congratulations to the JCHS Students for their Christian Commitment

Congratulations to the seven John Carroll High School senior altar servers: Brandon Paige, Nick Culumber, Quinn Saturday, Emily Rott, Katherine Leu, Katherine Hankle, and Xavier Henao. These students have dedicated countless hours of Christian commitment through serving as altar servers at St. Helen Catholic Church for the past eight years.

The students graduated from the unofficial “J.B. Egan Bootcamp,” where Mr. Egan has been training students to serve at the church for 32 years. As the altar service Coordinator, J.B. provides training one day per week for 40 minutes for 7-8 weeks for interested students in the 5th grade and higher. Mr. Egan dedicates his time to organize the altar servers into teams, with five servers per team, encompassing seven masses. “This is one of my highlight years,” remarked Mr. Egan, as he is proud to have seven John Carroll High School senior servers and five servers from Vero Beach High School.

Congratulations again to the John Carroll High School students who are proudly serving in our area churches and are dedicated to their Christian faith. To learn more about the faith-based opportunities at John Carroll High School, please visit www.JohnCarrollHigh.com.
