Every Thanksgiving, the good people of our community rally to ensure that no 531189998one goes hungry for the holidays. The shelves of our food pantries are filled and, for a while, we don't have to worry that children and seniors in our community will go to bed hungry - until about February or March, when the cupboards are bare in homes and food pantries. This year, with your help, the Van Duzer Foundation, PNC Bank, Mustard Seed Ministries, the Treasure Coast Food Bank, and Florida's Blood Centers want to change that.

*It takes 86,400 seconds to save a life...
1,440 minutes to feed a family...
24 hours to make a difference –
One day to give.*

On Wednesday, April 6, 2011, beginning at 6 p.m. and continuing for 24 hours - one complete day, the Van Duzer Foundation, in conjunction with Big Apple Pizza Fort Pierce, will be giving away free slices of pizza to help raise awareness for those who cannot eat whenever they want. We're trying to raise awareness and 100,000 pounds of food in one day in our community throughout the Treasure Coast. Already, we've got a good start from corporations like Pepsi, businesses like PNC Bank, and well-respected non-profit organizations and academic institutions including IRSC. We're hoping each and every individual on the Treasure Coast will become involved and help us to reach our one day goal of 100,000 pounds.

We may not always have 1,440 minutes or 86,400 seconds to spare but just this once, wouldn't it be nice if we could all just get together and take *One Day to Give*?
