A letter from the President

Dear Friends of John Carroll,

We are now entering the holy season of Lent. The word 'lent' comes from an old English word for springtime. Lent is our time for revival and renewal. It is the springtime of the Spirit. Like spring, it is a time for newness of life and for growth—growth in the Spirit and in our relationship with the Lord.

That sense of revival and renewal is very evident on the campus of our beloved John Carroll Catholic High School. Our students continue to excel academically as well as in extracurricular activities and service to the community. One particularly exciting project that our students are involved with is the construction of a Habitat for Humanity home. It not only gives the students great practical experience but also teaches them a sense of social responsibility and will directly benefit a family in our own Ft. Pierce community!

Support for our school remains at an all-time high. We just had our annual 300 Club Gala event, which again was extremely successful and will help us to provide for the ongoing needs of students and faculty. This January through a generous anonymous donation, we were able to install new "Mimio" (similar to Smart Boards) technology in all of our classrooms. These devices allow for great diversity and ease of instruction and are loved by both faculty and students alike.

Indeed it is springtime for JCCHS. At a time when enrollment at Catholic schools is lower, our enrollment numbers remain strong. In December we tested 135 applicants for admission to next year's freshman class. Our next test date is March 17th.

I know that students and parents seek out our school because of the quality education and individual care that students entrusted to our care receive. And we know that we could not do what we do without your continued generosity and support! We thank you for your generosity, your involvement, and your care. May God bless each of you with a wonderful and joyous Easter!

Sincerely Yours in Christ,

Rev. Thomas E. Barrett
President

Our Mission Statement: John Carroll High School is a ministry of the Diocese of Palm Beach committed to the spiritual, academic, physical, and emotional growth of our student body. Guided by our Catholic faith and tradition, we recognize Jesus Christ as the role model for the whole person we seek to develop. Our mission is to inspire the pursuit of educational excellence, foster character formation, develop a commitment to service, and affirm the dignity of each entrusted to our care.

A letter from the Development and Alumni Association Director

Dear Alumni, Parents, and Friends,

I am filled with thanks as I write this letter. Thanks to a wonderful group of JCHS friends, as I have just returned from maternity leave. Thank you to Nancy Shultz, a former Development Director, who took over for me while I was taking time off. **Robbin Lynch**, the 300 Club Chairman, allowed me to have peace of mind to stay at home with our daughter Olivia Grace. Thank you also to my assistant, Courtney Albert, for her hard work and dedication to her job.

The 300 Club was a great success. Many thanks to our 300 Club Committee and all the volunteers who helped make the event possible. The theme, "Black and White Ball," was laid out by decorating chairpeople Miriam Burns and Karen Manning. **Colleen (Nash) Becht (1980)**, Tracy Carlton, Sylvia Collada, **Teresita (Valdivia) Collins (1975)**, Debbie Deering, Molly Holman, **Kathy (Matula) Johnson (1983)**, Carol Matulonis, Tammy Matthes, Ginny McAlarnen, Beth McHugh, Bambi Stock, Lauralee Vaughn, Leonard Wheeley, and Teresa Wonka also worked tirelessly on the 300 Club Committee.

Father Barrett, Marty and Sue Ellen Sanders (1st place winners), Ben Hopper

First time attendees Marty and Sue Ellen Sanders won the \$10,000; alumni **Jeremy and Melissa (Richmond) McWhorter** won second

prize, and parents, coach and volunteer Michael and Suzi Howard won third place. Congratulations!

Some of our biggest auction items this year included a pool remodel by A & G Concrete Pools (\$3,000), Lasik vision correction by Florida Eye Institute Laser Center (\$2,400), a week at a ski resort in Utah (\$4,000), and a **Colleen (Nash) Becht** painting (\$2,400). Thank you to all our donors who helped make the live and silent auctions diverse and plentiful.

I would like to thank Father George at St. Anastasia, Father Horgan at St. Lucie Catholic, Father Szpieg at St. Elizabeth Ann Seton, and Father Ulto at St. Bernadette for their dedication to Catholic education and their generosity toward our Mega Drawing. The drawing was again lucrative and produced very happy winners. Thank you also to Holy Cross, St. Helens, St. Joseph, and Holy Family for their support.

The Coaches' Corner

What a great year we had during the winter regular season. What we originally thought were going to be rebuilding years turned out to be improvements in all our programs. Girl's soccer and Coach Marty Horn had a fantastic year with some key victories during the regular season including a victory against St. Edwards for the first time in ten years. Coach Horn is very excited about the youth on the team, six freshmen, and all of the returning players for next year. Coach Mike Howard and the boys' soccer team continue to improve from year to year. They upped their win total and played some very impressive games against some equally impressive teams.

Coach Steve Ripley and the boys' basketball team finished as runner-up in the District and lost a hard fought contest in the Regional Quarterfinals to Frostproof. Coach Ripley returns almost the entire team and is looking to an impressive showing next year. The girls' basketball team and Coach Howard Avril also finished runner-up in the District and won their regional quarterfinal game against Frostproof before losing at the buzzer to eventual Regional champion Academy of Holy Names, 64-62. The girls' team also returns a large nucleus, and we are excited about next year. Congratulations on a great job to all the winter programs, coaches, and athletes.

The end of winter brings the beginning of spring season. Coaches Joanna Taylor and Deb Waters have had the boys' and girls' tennis teams out practicing and are looking forward to another stellar season. I have been out with all my assistant coaches with the track team, and we expect to take another large contingent to the State track meet this year. We also expect a few school records will be broken along the way.

Welcome to our new girls' softball coach, Bob Rahal. Coach Rahal and his staff have been practicing and are excited about the upcoming season as well as the direction the program is headed in the future. Congratulations also to Melissa Hickey who signed with Brevard Community College with a softball scholarship. We also welcome our new baseball coach, Mike Easom. The baseball team has started out in impressive style, finishing as runner-ups in the prestigious Treasure Coast Classic and are undefeated in the conference. Next time you hear from me, we will probably be into the summer and maybe have more trophies to display.

Sincerely,

Joe Paschal (1979)
Athletic Director

Parents' Guild Update

Greetings from Parents Guild,

It's Parents' Guild's favorite time of the year! We have been involved with the Fall Sports Awards and the Junior Ring Ceremony. Both went off perfectly thanks to our wonderful volunteers who are there to help out whenever needed.

Now on to our biggest event of the year: Project Graduation. This is a fun-filled extravaganza held on the night of Graduation to help the Class of 2007 celebrate their success in a safe and healthy way.

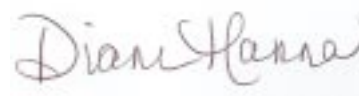

Please be on the lookout in your mailbox for more information and the opportunity to help out either by donation of time, talent, or treasure. We rely on the generosity of parents, alumni, and business owners for this special event.

Feel free to contact any of the officers for more information. It is an excellent opportunity to get out and make a difference in the life of your favorite Ram.

JCHS girls' basketball team won their regional quarterfinal game!

Sincerely,

Message from the Principal

Dear students, parents, alumni, and friends,

John Carroll is thankful for a successful third quarter and, we look forward to finishing the school year strong. There have been many teacher and student accomplishments this past quarter. Paul Camber was voted Teacher of the Year. Mr. Camber has been teaching at John Carroll for 19 years and has been in education for a total of 35 years! He has served John Carroll as the Bus Coordinator, Librarian, Yearbook Advisor, and World History Teacher.

The Junior and Senior classes spent two days helping build the interior and exterior walls for a Habitat for Humanity house. The walls were constructed on the JCHS soccer field and

trucked to the home's foundation on Avenue I. The home, which is sponsored by St. Lucie Battery and Tire, will be completed by local volunteers and JCHS students.

Linda Easom, Jim Clark, and I attended the Florida Catholic Conference in February. The theme was "re-kindling the spirit". It reminded us of the importance for Catholic schools to be Christ-centered and to help nurture the community of faith we have on campus.

Catholic Schools Week was January 29-February

2nd. We emphasized "Good News in Education" to the students. The week included a mass with the Bishop and the Junior Class ring blessing. There was also a conflict resolution in-service with the teachers, who were later treated to a Catholic Schools Week luncheon.

Don't forget the annual JCHS golf tournament on April 14th! It is sure to be a great time.
