Senior Ad Saturday

Dear Senior Parents,

The yearbook staff will be holding two Senior Ad Days where you can come and meet with a yearbook member who will work with you to help design your ad. Our Saturdays will be October 24th, and November 14th. Please bring any pictures, graphics, or messages that you would like to put in your ad. We recommend you bring in your pictures or graphics early to be scanned before the Saturday you have chosen. This will make the process faster and easier for both you and the yearbook staff. You will be able to crop your pictures, choose your fonts, design your layout, and print out a copy of your finished ad. All payments are due upon completion of your ad. Please return the forms below as soon as possible to reserve your appointment. You can return your form by having your student bring it to room 403, by mailing it to John Carroll, or by emailing it to us at yearbook@johncarrollhigh.com. Appointments will be reserved on a "first come, first served" basis. It is imperative that you provide a telephone number so we can contact you as soon as we have a time slot available for you. We will try to be as accommodating as possible to your time preference. Full page ads will be allotted an hour and a half, and any other size ad will be allotted an hour.
