A letter from the President

Dear Friends, Parents, and Alumni of John Carroll,

As we enter the season of Advent, we are mindful of the many blessings we have received at our school. We have survived hurricane Wilma and another hurricane season without any major problems. More importantly, our students continue to achieve and excel both inside and outside the classroom!

Yet, amidst all of the flurry of activity that leads up to Christmas, hopefully we will take time to pause and reflect how we might better prepare for the coming of Christ. Advent reminds us that we are doing more than preparing for the Nativity. We are also continuing to prepare ourselves for the time when Christ will come again. Of course, one way that we can do this is to remember the "reason for the season" and try to put a priority on our relationship with the Lord.

Thank you for your support of the John Carroll/St. Anastasia Christmas Festival event. We are excited about our upcoming 300 Club Dinner, Dance and Auction! Your continued support and stewardship of time, talent, and treasure really help our faculty, staff, and school make a real difference in the lives of our students. Thank you so much.

A living nativity was celebrated at the Christmas Festival.

We are still making improvements to our facility. Some of our upcoming projects are a new track and additional classroom space. We hope to reduce the total number of students per classroom and foster an even better learning environment. Our new Principal, Mr. Ben Hopper; the school administration; and school advisory board are working hard to promote excellence in education at all levels.

I hope and pray that you all experience an Advent Season marked by joyful expectation of the Lord's coming and a sense of His peace and love. Have a wonderful and safe Christmas and a Happy New Year!

Sincerely Yours in Christ,

Rev. Thomas E. Barrett
President

Our Mission Statement: John Carroll High School is a ministry of the Diocese of Palm Beach committed to the spiritual, academic, physical, and emotional growth of our student body. Guided by our Catholic faith and tradition, we recognize Jesus Christ as the role model for the whole person we seek to develop. Our mission is to inspire the pursuit of educational excellence, foster character formation, develop a commitment to service, and affirm the dignity of each entrusted to our care.

A letter from the Development and Alumni Association Director

Dear Alumni, Parents, and Friends,

I have many exciting items to report on in this Winter issue of our quarterly newsletter. It is hard to believe that half of the school year and half of our special events have already been completed!

The Annual Giving Campaign kicked off to a great start on September 1, 2005. John Carroll has been blessed again this year with extremely generous donors, who have given in excess of \$56,000 to the campaign! We have already surpassed our record breaking income from last year, and we still have until August 31, 2006, to receive gifts. Thank you to all of you who have already donated; I continue to be amazed at the generosity of our John Carroll community.

The Homecoming Football game was held on Friday, November 4th. It was a wonderful game, and the Alumni Homecoming Party was well attended. Families enjoyed delicious food, free gifts, and time with friends.

The John Carroll High School/ St. Anastasia Christmas Festival was held December 1st- 4th and was a great family-friendly event! We sold Fraser fir trees, wreaths, ornaments, sleigh gift sets, food, baked goods, and even barbecue. Thank you to Mr. Joe Guettler, who drove the famous "Guettler Train" and the hay ride during the weekend. The volunteers came out in force for the fun weekend! Thank you for your help; we could not present an event of that magnitude without your help.

If you were not able to participate in the above events, don't worry... we have several more on the horizon. The 2005-2006 Mega Drawing kicked off December 5th and will run through February 3rd. The Mega Drawing is a chance for you to win free tuition, a trip to Europe, or more than \$3,000 in cash prizes. I have enclosed a pack of tickets in this mailing for your convenience. Please complete the right hand portion and return the tickets and payment in the self-addressed envelope. Last year the Mega Drawing raised a net income of nearly \$30,000, and we hope to increase that amount this year.

Thank you to the volunteers who helped with the Alumni Tent!

Save the date of Friday, February 3, 2006! The annual John Carroll High School 300 Club Gala will be held on that date at the Pelican Yacht Club. We have an active committee again this year that meets regularly to plan the best event imaginable. The theme this year, "A Walk in the Park," will showcase beautiful plants, flowers, and is sure to be like nothing you have ever seen before.

We already have families asking us about our wonderful auction items available this year. I will share with you a preview of a few of the items already acquired: time in an apartment in a historical building in Manhattan, NYC; weekend stays at a posh resort in Orlando, a vacation at the Biltmore and Pier 66 hotel in Miami; amazing artwork, jewelry, fishing trips, hunting adventures, beauty and spa treatments, and much, much, more. Of course your donations are still welcomed and most appreciated!

Please complete the enclosed forms to donate an auction item, ad, or purchase a ticket to the event. Seating is limited and will be designated to those who submit both the reservation and payment first. Thank you for making our auction one of the premier events on the Treasure Coast!

Visit our website, www.JohnCarrollHigh.com to learn more about the Mega Drawing, order a 300 Club ticket, make a donation, submit an alumni update, and look at daily school happenings.

Thank you for your continued support! Please don't hesitate to call, email, or visit my office; the door is always open.

Best personal regards,

Jennifer M. Trefelner

The Coaches' Corner

From the Desk of the Athletic Director:

It is hard to believe that the Fall sports are over, and the Winter sports are upon us! The Fall sports programs were all very successful again this year, and I would like to recognize a few of our outstanding athletes and coaches.

Our football team had a great showing at the Homecoming game, winning with a team effort and hard work. Congratulations to Coach **Lenny Jankowski** (1989) and his staff on their effort this year.

The volleyball team, led by Coach **Nancy (Blakeslee) Leander** (1981), went to Regions and was also very competitive locally. Coaches Rebecca Dempsey and Joe Massimino were very proud of their swimming team, which also had several athletes advance to the Regional Meet.

The talented Cross Country team takes a break for team photo.

The Cross Country team, led by husband and wife Frank and Julie Irizarry, led the boys' team and their daughter, Susie, to the State Meet. Three of the "Running Rams" also qualified for Treasure Lake Conference all area recognition: Susie Irizarry, Taylor Abraham, and Ian Hussey. Congratulations!

I look forward to all of our Winter sports and watching our athletes excel. I wish the best seasons to the talented girls' and boys' basketball teams and the girls' and boys' soccer teams.

Don't forget to check our website to see all the sports schedules and news. John Carroll sports are going strong, and I look forward to seeing all of you out supporting and cheering your teams. Remember, GO RAMS!

Athletic Director

Parents' Guild Update

Greetings from Parents' Guild,

The first half of the school year has flown by, and we are well on our way to the best parent participation yet! Thanks to all of the volunteers who made the reception for Open House a HUGE success! Countless people baked delicious desserts, donated drinks, or gave up their Sunday to serve prospective students and their families. It was beautiful, and your time and efforts are appreciated.

Parents' Guild volunteers help serve food at Open House.

Next up for Parents' Guild is the Fall Sports Awards Ceremony in early December.

We will soon begin the early planning for Project Graduation, the all-night celebration for our graduates. Lots of volunteers are needed in order to make this an unforgettable event for the Class of 2006.

Anyone wishing to help out may give me a call at 398-6311 or let Jennifer Trefelner know at school.

Teacher Brian Siringo explains his English curriculum at Open House.

Go Rams and don't forget... **STAY INVOLVED!**
