A letter from the President

Dear Friends of John Carroll,

It is great to be starting another academic year at a school with which I am so proud to be associated. On the 15th of August, we were privileged to have the Most Rev. Gerald M. Barbarito, Bishop of the Diocese of Palm Beach, with us to celebrate our opening school Mass. We certainly are grateful to the Lord for the many blessings we have received, and we pray that He may guide us and protect us throughout the school year.

Bishop Barbarito and Father Barrett celebrate mass on on August 15th.

This year promises to continue the wonderful spirit and enthusiasm evident on campus and in our students! There have been many improvements made to our campus thanks to the hard work and long hours put in by Jeff Guettler, Marty Noelke, Jamie Noelke, and Andy Paschal. Some of these include acquiring two new portable classrooms, expanding the chapel, installing new lighting upstairs in the main building, adding new paint and carpeting in the 300 wing, and replacing the library furniture. We also have new Mimio machines that will enable a number of teachers to utilize the latest in instructional technology.

We also welcome to our staff seven new teachers who all have impressive qualifications in their particular disciplines. Our faculty and staff are the most dedicated and talented on the treasure coast. With their guidance and the continued good work of our students, I am confident that this year will be the best one yet for our school.

As always, I thank you for your continued support of JCHS. Without our alumni, friends, and benefactors, we would not be where we are today. Please don't hesitate to get involved. May the Lord bless you. Have a wonderful year!

Sincerely Yours in Christ,

Rev. Thomas E. Barrett
President

Bishop Barbarito and Father Barrett give the Eucharist to students at the "Bishop's Mass".

Would you like to help memorialize the JCHS chapel? The school is in need of \$5,000 worth of furniture for the newly renovated space. A plaque will be mounted to commemorate donors. If you would like to contribute, please contact Jennifer Trefelner or Father Ducasse at 772-464-5200.

Our Mission Statement: John Carroll High School is a ministry of the Diocese of Palm Beach committed to the spiritual, academic, physical, and emotional growth of our student body. Guided by our Catholic faith and tradition, we recognize Jesus Christ as the role model for the whole person we seek to develop. Our mission is to inspire the pursuit of educational excellence, foster character formation, develop a commitment to service, and affirm the dignity of each entrusted to our care.

The Coaches' Corner

From the Desk of the Athletic Director:

It's time to start another year, and we are looking forward to these upcoming seasons. Coach Rock has been working hard with the football team, and we are excited about the season and playoff possibilities.

The volleyball team, led by **Coach Nancy (Blakeslee) Leander (1981)** has been working very hard all summer and are looking to capture another district title. Cross Country team members and Coach Frank Irizarry have been running all summer and are looking to return to the State Meet.

The bowling team has a new coach. Coach Carolyn Henderson is heading this program, and we are excited about a successful campaign. Boys' and girls' golf have some great returning players, and Coaches Brian Siringo and Bruce Hopper will take them far this season.

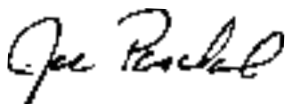

The swimming team with Coach Joe Massimino has a bright outlook for this season with a few district champions ready to move on to the next level.

Last year all these teams progressed out of districts to playoff action, and this year should be no different. Please check our website for all Fall and Spring sport schedules. We also have the directions to all away games online at www.JohnCarrollHigh.com/athletics.

We are proud to announce the hiring of two other new coaches at John Carroll. Coach Mike Easom and Coach Bob Rahal will take over baseball and softball respectively. We are excited to add their expertise and knowledge to our already strong coaching staff and programs. The future is only looking brighter.

Remember if there are any questions, feel free to call or stop by my office. God Bless and Go Rams!

Sincerely,

Joe Paschal (1979)

A Message from the Principal

Dear students, parents, alumni, and friends,

I am pleased to write the first "Message from the Principal" column for the school newsletter. I look forward to keeping you updated on school issues, news, and accomplishments of our students with this quarterly column.

This past summer John Carroll made some important strides. Not only did we upgrade the majority of our facilities, but we also increased the programs we offer the students. This year we added three new dual enrollment classes: College Computing, Business Law, and Business Principles and Management. We now offer a total of seven dual enrollment classes on campus and numerous Advanced Placement classes.

We also purchased a new, school wide software system. This program enables parents to check their students' disciplinary actions, grades, and attendance online at any time. All faculty members are now on this network and are looking forward to using the new technology.

We will also be building a new curriculum this year on Character Education. We will be teaching students the importance of social skills, anger management, and different life strategies to help them for years to come. These topics are such important ones for students, and we look forward to integrating each of them across curricula this year and to offer these classes starting next Fall.

We have several new teachers and staff members this year. They all come highly qualified in their fields. Welcome to Lisa Angell (English), Jason Bennett (Band), Michael Brennan (Religion), **Becky (Stafford) Jones (1988)** (History), Kevin Pastore (Religion), Kevin Wald (PE), **Christine Willmore (2000)** (Science), and Marty Noelke (Facilities).

We look forward to this school year with great enthusiasm. Please come and support our special events and fundraisers. We also welcome you to attend any of our athletic events and school productions or to stop by for a tour. I look forward to seeing you throughout the school year. Please let me know if I can be of service to you in any way.

Several classmates have expressed interest in planning a 30 year reunion for the Class of 1981. Unfortunately, due to a lack of interest, the 25th reunion schedule for July 29th and 30th was cancelled. Thank you to **Nancy (Blakeslee) Leander, Theresa (Potenza) Fesler, and Deanne (Browning) Decker** for trying to organize the event. If you are willing to help with the 30-year reunion, please contact the school.

1986

Thank you to **Kim (Martin) Burgett and Debbie Kicliter**, who planned the successful 20-year reunion. The reunion was August 11th -12th and had great attendance! We look forward to sharing a full report on the events and photos in the next issue of the newsletter.

If you live in St. Lucie County and are interested in helping plan the 20-year reunion, please contact Jennifer Trefelner at alumni@johncarrollhigh.com. Classmates are looking forward to a weekend of fun and festivities but need someone to help plan the events.

1996

The class of 1996 enjoyed a great 10-year reunion July 14th, 15th, and 16th. Thank you to **Patrick Garcia** for working hard to organize and plan such a wonderful weekend of events. Pat would like to report, "The ten-year reunion weekend for the class of 1996 has come and gone, and it was full of memorable moments. We had a great turnout for all planned events throughout the weekend.

The festivities started Friday night at Wahoo's Restaurant and Bar in Stuart where we got a sneak peek of the weekend to come. At Wahoo's we were able to start catching up on old times as well as enjoy cocktails, music, and dancing.

Saturday was our reception at Ft. Pierce Old City Hall where we had food, drinks, music, and dancing. Classmates shared old stories from high school and elaborated to each other what we have been doing since leaving JC. We also had the opportunity to meet our classmates' husbands, wives, and dates, all of whom are very wonderful people.

On Sunday, **Ben Hopper** opened the doors to John Carroll so that we could have a BBQ catered by Dale's, and our classmates brought their kids and other family members to see the many changes our school has undergone since graduation. We were also able to escape the summer heat and enjoy the upgraded gym where we were honored to be the first to use the renovated basketball court.

All in all, our reunion weekend was a great success. There were many faces I honestly haven't seen in ten years. It was definitely a pleasure catching up with everyone and meeting their families and loved ones. The reunion was well worth the effort, and I look forward to our next reunion where I hope to have an even better turnout and an even more memorable time.

I would like to thank all the people and classmates who helped make the weekend a success. A special thanks to **Ben Hopper** who helped organize our BBQ and constantly offered his help to make things easier on me. **Jennifer (Melville) Trefelner (1999)** provided me all the contact info for our classmates and put updates in the John Carroll Newsletter." More photos to come in the next newsletter!
