A letter from the President

Dear Alumni and Friends of John Carroll,

As we begin the holy season of Lent in preparation for the glory of Christ's resurrection at Easter, we have much for which to be thankful. In January, we welcomed our shepherd, Bishop Gerald M. Barbarito, to our school to celebrate our Catholic Schools Week Liturgy. We continue to be proud of our students who are doing well both in and outside the classroom. I am especially thankful to our dedicated faculty and staff who each day exhibit excellence in education and work to promote the Christian mission and values that we hold dear. I want to make special mention of John Carroll Catholic High School's 2004 Teacher of the Year, Mrs. Rebecca Dempsey. Mrs. Dempsey, in her classroom, with her coaching and numerous other activities, is truly an inspiration to all of us!

This semester has turned out to be every bit as busy as the last. We are ready to welcome new freshmen and prepare them for their arrival here in August. Our annual 300 Club dinner, dance, and silent auction, which was held at the Pelican Yacht Club this year on February 6th, was a huge success.

More than \$56,500 was raised for the school, which was the highest amount to date! It certainly is encouraging to see how many people are supportive of Catholic education and our students.

We are also planning of our Annual Giving Campaign as well as our 14th Annual Golf Tournament on April 17th, 2004, at Gator Trace Golf and Country Club. It will not be long before the end of the school year is upon us.

I wish to again thank our alumni, friends, donors, and volunteers for all that you do! We could not do it without you! May the Lord bless you as we anticipate the joyous celebration of Easter. As the Apostles went forth from the empty tomb with Easter courage and conviction, may we be renewed in mind and Spirit this season and go forth and really make a difference in the community.

Sincerely Yours in Christ,

Rev. Thomas E. Barrett

Our Mission Statement: John Carroll High School is a ministry of the Dioceses of Palm Beach committed to the spiritual, academic, physical, and emotional growth of our student body. Guided by our Catholic faith and tradition, we recognize Jesus Christ as the role model for the whole person we seek to develop. Our mission is to inspire the pursuit of educational excellence, foster character formation, develop a commitment to service, and affirm the dignity of each entrusted to our care.

A letter from the Alumni Director

Dear Alumni and Friends,

Welcome to another issue of the Alumni Newsletter! There are many exciting things to report in this issue. The annual 300 Club dinner, dance, and silent auction was held on February 6, 2004. The event was a huge success, with a net income of over \$56,500! There were several new additions to the 300 Club this year. A photographer was on hand to take pictures of couples as they entered the event. For the first time, an event program listed silent auction items, event details, and numerous ads from local businesses. The silent auction boasted over 80 baskets or large items and raised more than \$10,000. All the excitement and new additions helped to add to the fun of the evening.

Thanks to generous families and businesses, all 300 tickets were sold before the drawing began. Congratulations to the \$10,000 grand prize winners Gary Dundas and Pam Punkar! Alumni John Schwerer (1975) and his wife Laura won the second prize of \$1,000 in the drawing. The proud parents of two John Carroll students, Dennis and Jackie McGuire, won third place, \$100 worth of lotto tickets. Congratulations to all!

I am already looking forward to 300 Club for next year. Planning will get underway in August. If you are interested in helping with the event next year, please notify the school. With the support of the alumni, parents, and friends of John Carroll, the event can become one of the finest on the Treasure Coast.

The Mega Drawing was also held on February 6. There were more tickets sold this year than ever! The overall income for the Mega Drawing totalled over \$23,000. Congratulations to the grand prize winner, Mr. Richard Daunoras, from Palm City. He had the option of free tuition to John Carroll, a trip to Italy for two, or \$2,500. Norma Nycum, a parent of a John Carroll student, won \$1,000 for second prize, and Ramona McCall of Ft. Pierce won \$500 for third Prize. Thank you to all who purchased tickets and congratulations to our winners!

With the huge success of the Mega Drawing this year, I have even higher hopes for next year. We hope to start selling the tickets earlier in the year and to sell tickets at even more parishes on the Treasure Coast.

There are several upcoming events for the spring. The Annual John Carroll High School Golf Tournament will be held on April 17, 2004. The tournament will again be at Gator Trace Golf and Country Club in Ft. Pierce. At 7:30 registration and breakfast will be available. At 8:30 there will be a shotgun start for the golfers. Following the round of golf, there will be a deluxe lunch served in the Club House. This year there will be prizes for 1st, 2nd, and 3rd place teams in flight one and flight two. There will also be raffles for a golf club, baskets of cheer, a weekend trip, 50/50 and more! Some of the door prizes include rounds of golf from local courses, popular restaurant gift certificates, and professional golf merchandise. Every golfer will also receive a goodie bag filled with golf necessities.

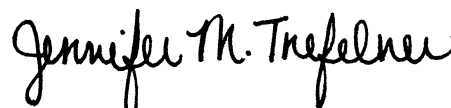

On one predetermined hole, there is a prize for the longest drive. On three predetermined holes, there are prizes for the ball closest to the pin. One of those prizes is \$500 guaranteed cash, sponsored by Bill Shultz Chevrolet.

This event cannot be missed! The charge is \$75.00 per golfer. There are also green and tee sponsorships available for \$100. If you would like to donate a product or service for the raffle, sponsor a green or tee sign, or play in the tournament, please contact the school.

In order to reunite the alumni and the community and make John Carroll a stronger voice on the Treasure Coast, we will be making some changes to the Annual Giving Campaign. When you receive the campaign information, please take time to decide what amount you would like to give to help support the school. Without the generosity of our alumni and supporters, John Carroll would not be where it is today. If you would like to volunteer to help energize the alumni about donating, please contact the school.

I would like to take this opportunity to thank the John Carroll parents, alumni, and friends for their help, support, and dedication on our events this year. All of our goals have been met and surpassed thanks to the gracious help of so many volunteers. Thank you for all your hard work and generosity. I look forward to reporting additional positive news in the next newsletter.

Best Personal Regards,

Jennifer (Melville) Trefelner (1999)

The Coaches' Corner

The John Carroll winter sports season is almost over, and we are excited to see what the spring season has in store for us. We have reason to be proud of our winter teams. The girls' soccer team kept improving and finished with a .550 record. They graduate only two young ladies and look strong for next season. The boys' soccer team also returns its starting nucleus next year which gives us reason to be excited due to the fine play this season. Both the girls' and boys' basketball teams had good seasons against a difficult schedule. The boys' team returns with all its starters next year and had impressive wins against Westwood and Benjamin High Schools. We are sad to see Maria Mandina graduate from the girls' basketball team but are anxious to follow her career in college.

We are very proud of the three football players who have signed to play in college. Cedric Wilson and Lester Graham both signed with Kansas State, and Steven Purkey signed with defending Division II champions, Delaware. Please keep in touch because there is a good possibility more athletes will sign with colleges this year.

The softball and baseball teams are anticipating strong seasons this year, and we encourage everyone to come out and support them. The tennis and track teams are ready for another strong season and hopefully a State Champion.

It has been a very busy school year as far as construction. Not only did we erect the football bleachers and press box, but we built a new press box for the softball field. Please keep your donations coming because we are not finished with the improvements; we have only just begun.

Thank you for all your support and generosity; without you, these dreams do not become a reality. Ram fans are the greatest, and I urge you to continue to prove me right. My office continues to stay hectic, but please continue to call and talk to me. I always have time to "Ram Talk." I look forward to seeing you and remember, "GO RAMS".

Parents' Guild Update

Greetings, Parents! It feels like spring is in the air, which means that Project Graduation is just around the corner! For you newcomers, Project Graduation is the annual party given for our Seniors on the night of their graduation. This year, graduation will be held on Wednesday, May 19. We have been preparing for this event all year. The fund-raisers we have held this year have included the sale of our directory, and the Red Wheel Pie Sale, and working at concession stands at a New York Mets/ Dodgers game.

If you still need volunteer hours or if you would like to get involved with a great group of parents, consider helping us working at Project Graduation on May 19th from 10 PM- 5 AM.

You will receive a letter soon giving you an opportunity to help us in other ways so that we can give our Seniors a party that they will remember fondly for years to come.

For questions, call me at 465-2102 or Jennifer Trefelner at John Carroll 464-5200.

Get Involved!
