A letter from the President

Dear Alumni and Friends of John Carroll,

As the holidays approach, we certainly have much to be thankful for. The academic year has gotten off to a great start! We welcomed our new Bishop, Gerald Barbarito, to our school for the first time and look forward to his return during Catholic Schools Week in January 2004. Our students have exhibited their varied talents not only in the classroom, but also on stage and at events and gatherings of all kinds. Whether it be our drama department, our musicians and steel drum band, our clubs or athletic teams, we've got great things happening! Our Open House was again successful and enabled our students to show off their school with pride to prospective students and parents. The Fall Festival was a great success as well. I have heard rave reviews of the new ride company this year and am proud of all our volunteers and how smoothly things went. Our Development and Special Events/Alumni offices are working hard to encourage donations to help bring good things to our campus and students. Don't forget to mark your calendars for our February 6th 300 Club Dinner Dance. It promises to be better than ever this year. Of course, our Golden Rams Football Program, under the direction of Head Coach Lenny Jankowski, made us proud once again this year!

Yes, we have much to be thankful for. I am very grateful for all of the hard work and volunteer hours that have been given by our parents, students, faculty, staff, and friends. Without your support, we could not accomplish so much! Above all, we are thankful to the Lord for all of the blessings we share here at JCHS. We pray as we begin the holy season of Advent that we might truly open our hearts to Jesus Christ, our Savior. During Advent we prepare our hearts and our minds for the feast of Christmas, the birth of God's only Son. Jesus came and made His dwelling among us—became one of us—so that we would be saved from sin and be given a model of how to live. Hopefully, as the holidays approach, each of us will take the time to reflect on the true meaning of Christmas and upon our own relationship with God. On behalf of all of us here at John Carroll Catholic High School, I wish you the happiest and holiest Christmas and New Year! May God bless you and your loved ones throughout the new year!

Yours in Christ,

Rev. Thomas E. Barrett
President

Our Mission Statement: John Carroll High School is a ministry of the Dioceses of Palm Beach committed to the spiritual, academic, physical, and emotional growth of our student body. Guided by our Catholic faith and tradition, we recognize Jesus Christ as the role model for the whole person we seek to develop. Our mission is to inspire the pursuit of educational excellence, foster character formation, develop a commitment to service, and affirm the dignity of each entrusted to our care.

A letter from the Alumni Director

Dear Alumni and Friends,

Happy Holidays! I would like to introduce myself to those of you who do not know me. My name is Jennifer (Melville) Trefelner, and I am proud to be the new Special Events/ Alumni Association Director for John Carroll. I accepted the job two months ago and have been loving every minute of my new career.

It is great to be back at John Carroll and reacquainting myself with faculty, staff, alumni, and friends. After graduating from John Carroll in 1999 and Auburn University in 2002, I married Joey Trefelner (1993 John Carroll graduate). We reside in Ft. Pierce and have enjoyed seeing the local John Carroll graduates as well as maintaining close relationships with alumni out of the area.

Over the last few months, we have already enjoyed many successful events. In October, there was an Alumni tent at the first evening homecoming football game played at John Carroll. Thank you to the Alumni who came to update their information, share in the free food and drinks, and catch up with fellow graduates. We had a record number of attendees and ran out of food before the night was over. It was a great event and I am already looking forward to next year's game!

Also in October, John Carroll held an Open House for all current 7th and 8th grade students in the four county area. The teachers presented information in their classrooms, the National Honor Society gave tours of the campus, and the Parents Guild provided a reception in the cafeteria. The Panhandlers, John Carroll's own steel drum band, played in the courtyard while the French club served beverages at their "French Cafe" and the art department sketched portraits. Again, we had a great response in attendance, and everyone left extremely impressed with John Carroll.

The Fall Festival was November 13-16 and was enjoyed by all who attended. The Parade of Prizes was a successful fund-raiser and made for some very happy winners. This year's prizes included \$10,000 in cash, a big screen TV, a Richard Kelly painting, a DVD home theatre, a camcorder, a necklace, a bracelet, a vacation, and free tuition to John Carroll and St. Anastasia.

The calendar is already filling with upcoming events! Work on the 300 Club Dinner, Dance, and Silent Auction is in full swing. This event will take place at the Pelican Yacht Club on February 6, 2004, with the silent auction and open bar beginning at 6:30. I have enjoyed working with an experienced and dedicated committee that has been helping plan a spectacular evening. This year's event, "Wish Upon a Star", will include an extensive silent auction, open bar, exquisite dinner buffet, dancing, and more. As always, there will be a drawing for a \$10,000 cash prize, a \$1,000 cash prize, and \$100 worth of lotto tickets. There will also be a 50/50 drawing and the Mega Drawing. If you are interested in donating an item for the silent auction or purchasing tickets to attend the gala, please contact me at school. Tickets are \$150 for a couple.

The annual Mega Drawing is a chance for you to win wonderful prizes, such as a trip to Italy, free tuition, or \$2,500 cash for first prize. Second prize is \$1,000, and third prize is \$500. Ticket prices are 1 for \$30, 3 for \$50, 7 for \$75, and 12 for \$100. Please contact the school if you would like to purchase tickets.

The Annual Giving Campaign is also quickly approaching. I am so grateful for the many donations that have already been received. Please make sure that you donate soon so that you can be listed in this year's donor recognition report.

A special thank you also for everyone who has been updating information and sending in alumni news.

If you would like to send me alumni news, please email alumni@johncarrollhigh.com or call (772)464-5200.

Lastly, I would like to thank everyone for making me feel so welcome at John Carroll! It is great to be back and involved with all the events John Carroll has to offer. Keep up the great work Alumni, and I hope to hear from you soon!

Best Personal Regards,

Jennifer (Melville) Trefelner (1999)
Special Events/ Alumni Association Director

The Coaches' Corner

The John Carroll fall sports season is officially over, and we are excited to see what the winter season has in store for us. We have reasons to be proud of our fall teams this year. The Volleyball team was the District runner-up and went on to play in Regionals, eventually losing to the Regional Champ, Westminster Academy. The boys and girls golf teams sent players to the Regional Golf Tournament, and all players are planning on returning next year. The swim team, again, sent a large contingent to the state swim meet. The cross county team sent the entire boys team, as well as Susan Irizarry for the girls team, to cross country state competition.

We dedicated our new football stadium, Dennis McGuire Stadium, and began playing night games on our campus. Your support was noticed immediately, and our football team played with all the Ram pride you have brought to them. They finished the season 11-2 and are the Region III Champions. The Rams also made it to the State Championship playoffs, making them one of the top four schools in their division in the state, for only the second time in school history.

The soccer and basketball teams are anticipating strong seasons, and we encourage all to come out and support them.

It has been a busy year as far as construction. Not only were the bleachers and press box erected, but a concession stand and new ticket booths were also built. Please keep your donations coming because we are not finished with improvements; we have only just begun. Thank you for all your support and your generosity because without you these dreams could not become reality. Ram fans are the greatest, and I urge you to continue to prove me right. My office continues to stay hectic, but please continue to call and talk to me; I always have time to "Ram talk." I look forward to seeing you and remember, "GO RAMS"!
