

Handbook Acknowledgment

Dear Parents and Guardians:

This year we would like to emphasize the importance of you and your son or daughter reading the John Carroll Catholic High School Student Handbook. It contains valuable information about all facets of our school and our procedures. Both our homeroom and classroom teachers spend time reviewing sections of the handbook, but it is extremely important that you familiarize yourselves with the contents of the handbook.

In addition to policies and procedures, this handbook contains a 12-month calendar which highlights important dates and events. We encourage you to use it as a planning tool for your child's school year. The handbook is punched to fit into a 3-ring binder for your child's convenience. We will continue to send monthly calendars which contain more extensive information including sports, club activities, and timely reminders on a variety of topics.

Please sign and return this sheet to your son's or daughter's homeroom teacher.

Thank you for your support.

Sincerely,

Linda Easom,
Assistant Principal

I acknowledge that I have reviewed the John Carroll Catholic High School student handbook for the present year.
