Please keep in mind that when the weather turns cold, the girls will only be allowed to wear their warm-ups with their uniforms at games. No other attire will be allowed during cheering time.

The squads will be required to attend camp over the summer for three days it will include their routine and stunt camp, the cost is \$150. Per participant, it is something that will benefit the entire squad as well as the individual cheerleader. We are doing a fundraiser over the summer to defray this cost and all girls are required to participate. In order to cover their camp cost they are required to sell camperships. If there are questions with regard to the fundraiser or camp please contact me at flynnngirls@bellsouth.net
