

FUND

The John Carroll Fund, the heart of John Carroll’s philanthropic program, supports academic, extracurricular, and spiritual experiences that form our students into tomorrow’s servant leaders.

In addition to providing support for students, the John Carroll Fund supports professional development, day-to-day operations, campus improvements, and so much more. This coordinated campaign serves our current and future students and is the most important way to support JCHS each year. We invite you to prayerfully consider making a contribution to the John Carroll Fund by returning the attached envelope, scanning the QR code on the reverse side, or through legacy giving.

Together we discover our God-given purpose

in a sacramental environment where
community, service, scholarship, and faith unite.

“John Carroll is truly one of the greatest schools I have been in, shaping who I am today. It’s more than just a school — it’s a place where I’ve grown closer to my faith, discovered who I want to become, and found my second family. John Carroll pushes me to grow in every area of life: spiritually, academically, and personally. I’m proud to attend a school that not only cares about academic success, but also about who I am becoming.”
