FOREWORD

Crest

The John Carroll High School crest symbolizes important elements of our school, and all members of the school community should understand the significance of each element. The top left of the crest is the papal crown of Pope John XXIII for whom the first name of our school, “John,” is derived. The bottom right is a palm tree from the Coat of Arms of Archbishop Coleman Carroll for whom the second name of our school, “Carroll,” is derived. The top right of the crest represents a portion of the seal from the Adrian Dominican Sisters, the extraordinary Sisters who brought Catholic education to Fort Pierce. The bottom right is a section of the Diocese of Palm Beach’s seal of which John Carroll High School is a part.

Our Namesake

John Carroll High School, established in 1932, was officially named John Carroll in 1965 when the school moved to its present location at 3402 Delaware Avenue. The “John” in John Carroll comes from Pope John XXIII. Pope John was a man of extraordinary courage. In 1935 and throughout World War II, Pope John, who was an archbishop at the time, used his influence to save thousands of Jewish people. His work was so admired that he was named a “Righteous Gentile” following the war. He is known as “Good Pope John,” and “he emphasized what unites, not divides, people.” Canonized in 2014, he is known for his passionate views on the equality of all human beings, which can be summed up in his famous saying, “We were all made in God’s image, and thus, we are all Godly alike.”

The second part of our name is “Carroll,” named after Bishop Coleman Carroll of Miami, the first bishop of Miami. Bishop Coleman Carroll was a very learned man, having earned a Doctorate of Canon Law. Coleman Carroll not only fought against racial injustices in the 1960s but was also instrumental in welcoming over half a million people fleeing persecution in Cuba and entering the United States through Miami. He provided them with food, shelter, employment, and legal aid.

Saint Pope John XXIII and Bishop Coleman Carroll believed in the equality and dignity of all human beings. Their stories of courage and respect for all people are united to our John Carroll High School story and our root belief that “We are all made uniquely in the image and likeness of God.”

Purpose of the School Handbook

In order for a school to function most effectively, a full understanding of the goals, policies, and procedures of the school is necessary. Parents and students are expected to be familiar with the information contained in this Handbook. By enrolling in John Carroll High School, each student agrees to abide by its rules, and all parents/guardians agree to support the school’s policies.

Students and their parents give written agreement to this fact when they sign the JCHS Parent-Student Handbook Acknowledgement Form sent to all families electronically at the beginning of the school year.

These rules and expectations apply any time a student is on campus; any time a student is participating in or attending a school-sponsored event on or off-campus; any time a student is officially representing the school; and any time a student is traveling on school-authorized transportation. In addition, the school regards any behavior detrimental to the best interests of John Carroll High School by anyone in the John Carroll community, whether at school, on social media, or elsewhere, as sufficient grounds for a disciplinary response and/or expulsion. The school will determine when there are behaviors exhibited that are detrimental to the best interests of the school and may act accordingly.

INTRODUCTION

An interesting and challenging experience awaits you as a student or parent of the school. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

Please note: Items in italics are legal policies of the Diocese of Palm Beach.

ACCREDITATION AND AFFILIATION

John Carroll High School was accredited by the Southern Association of Colleges and Schools, now known as AdvancED, since 1970. Due to changes in leadership, it is now accredited through the Florida Catholic Conference, in partnership with Cognia, and completed its most recent accreditation in the 2020-2021 school year. It also holds membership in the National Catholic Educational Association.

John Carroll High School is a part of the Diocese of Palm Beach and, as such, is subject to and bound by the general educational policies of the Diocese.

SAFETY NOTIFICATION

In accordance with Federal Guidelines, a Management Plan for asbestos containing building materials has been filed with the appropriate Government Agencies. Under Federal Guidelines, we are required to notify you that a copy of the Management Plan is on file in the Principal's office. Should you desire, the Management Plan is available for your review during normal school hours.

Please be assured that the safety of all our employees and students is our primary concern.

SCHOOL VALUES AND DIOCESAN TREATMENT POLICIES

John Carroll High School is an Equal Opportunity Employer and assures equal access to its educational programs and activities without regard to race, sex, age, handicap, or national origin. As an educational institution of the Diocese of Palm Beach, John Carroll High School strongly supports and abides by the pro-life policy of the Diocese.

John Carroll High School is a community where people are expected to treat others with respect and dignity. Sexual harassment is unwanted sexually oriented words or actions, no matter how they were intended, which hurt or humiliate people. This behavior has no place in our school or any other place where people believe in fairness and respect for one another.

Testifying in Divorce or Custody Proceedings

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

ADMISSIONS

Open Admission Policy

The school has an open admission policy. No person, on the grounds of race, color, disability, or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

An annual high school admissions test administered in December at John Carroll High School is required for all freshmen seeking admission. A makeup date may be scheduled at a later date in the spring if necessary. Students unable to take the test when scheduled must make arrangements for late testing with the admissions office.

Because we believe that we are called to be a community united in Christ's love, all students are required to participate in religious studies classes, as well as student body liturgical worship.

All students new to John Carroll High School will be admitted on a probationary basis. Because John Carroll places a high value on the learning environment of the school, students who are unable to meet the behavior expectations of the school may be administratively withdrawn.

Further, we aim to meet the learning needs of all students; as such, if it becomes clear that we are unable to meet a student's specific learning needs, or if the student fails to adhere to our thorough attendance policy, the school may determine that the student would be better suited in a different academic environment. It is always our intention to partner with parents and students to provide the best education possible and see every student through to graduation. John Carroll High School reserves the right to cancel any admission at any time for any reason without prior notice.

All enrolled students have agreed to the process of continuous enrollment when completing their admissions packet through FACTS SIS. Continuous enrollment states that a student will remain enrolled at JCHS for the upcoming school year unless a parent gives notification of withdrawal by completing the Future Withdrawal form and submitting it to Finance by February 28th of the corresponding year. **Please note: The registration fee for the 2024 -2025 school year will remain the parent's/guardian's obligation if the Future Withdrawal form has not been submitted by February 28, 2024.**

Undocumented Students

A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Diocese of Palm Beach may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

ADVISORY BOARD

The John Carroll High School Advisory Council (SAC) which is composed of select parents, alumni, and community stakeholders to advise the administration, meets on a bi-monthly basis at the school. All parents, students, and school staff members are welcome to attend Advisory Board meetings.

TEXT MESSAGING AND TELEPHONE CALLS

The school may use text messages and automated telephone calls to alert parents/guardians of important information related to the school's mission, operations, and activities. Parents/guardians acknowledge and consent to the receipt of these messages when providing their telephone numbers.

GUIDANCE

The John Carroll guidance office exists to aid students on their path to college. Guidance services are available for every student and his/her family. These services include assistance with educational planning, interpretation of test scores, occupational and career information, and

study skills. The department additionally assists students in navigating home, school, personal, and/or social concerns, and aids students in developing a sense of self-awareness and responsibility as a member of society. Even beyond graduation, the Guidance Department provides resource referrals for students suffering from substance abuse, psychological illness, etc.

Original copies of individual transcripts are kept on file at all times. Transcripts are sent to other educational institutions and places of employment upon request. Written permission is required to release records. A student may receive an unofficial copy of his/her transcripts. Official copies must be mailed directly to the school/employer/agencies requesting them. After graduation, there is a fee of five dollars for each transcript mailed or sent by fax. Student records are accessible to parents and students through the guidance office by appointment. (See "Student Records" for more detail.)

Testing Program: John Carroll High School administers the PSAT in October to students in grades 9, 10, and 11. All students are strongly encouraged to take the SAT or ACT in the summer following their sophomore year or shortly thereafter in order to begin planning for college admissions and applications. Information and registration materials are available in the Guidance Office. It is the student's responsibility to register for these tests. The SAT is offered on John Carroll's campus approximately 3-4 times each year.

TEXTBOOKS

All textbooks are owned by John Carroll High School. The school issues textbooks to each student for his/her use. The students must return the books at the end of the course. Lost or damaged books must be paid for by the student. Most John Carroll books will be barcoded, and specific books will be loaned to each student. Each student is responsible for the barcode-specific books checked out to him or her. Any books checked out to a student which are not returned at the end of the school year may be charged to the student's account and billed to the family through Incidental Billing. In some classes, the purchase of workbooks is required. AP classes may also require the purchase of an AP study book, and other classes may require the purchase of novels.

TUITION AND FEES

Financial Obligations

The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts or any other student records and/or disallow participation in or access to school activities, and/or disenroll the student if any financial obligations are not met.

Parents/Guardians, by executing the acknowledgment of receipt of this Handbook, HEREBY AGREE to be responsible for the full balance of tuition and any related fees regardless of any scholarship that may be available. Should such scholarship awards not cover the entire balance due or otherwise not become available, Parents/Guardians agree that they remain responsible for the full tuition amount

and fees. Additionally, with respect to these scholarships, any student with a disability does not have an individual right to receive some or all of the special education and related services that the student would receive if enrolled in a public school under the Individuals with Disabilities Education Act (IDEA), as amended.

Required Parent Service Hours or Activity Fee

At JCHS, we believe that we are a community united in Christ's love and that we love Christ by serving others with joy. With this in mind, it is the school's expectation that each and every school family participate in the life of the school and contribute to its work and mission.

In order to promote engagement with the school community, the school requests that all families complete 10 service hours within the school throughout the course of the school year. Opportunities for involvement will be available in many areas of school life, including social activities, fundraisers, sports activities, clerical help, and special events sponsored by the Development Office.

It is the responsibility of all families to self-log these hours in FACTS Family Portal in a timely manner each quarter. Families will receive an update at the end of each school quarter on the status of their hours volunteered. Should a family not be able to complete any hours, an activity fee of \$300 will be assessed. Donations for various school events in lieu of time given in service may be considered as one hour of volunteering. All hours must be logged in FACTS by the family prior to May 1.

Financial Assistance

The John Carroll Finance Office makes every effort to meet a family's demonstrated financial need, contingent upon the funds available. Financial assistance may be available through the school,

provided it is applied for by April 17 (or while funds are available) for the following school year. In order to be considered for financial assistance, a family must file with FACTS Aid and Grant for financial aid online. Financial aid must be applied for each year it is desired. Please note that families must be in good financial standing to receive financial assistance.

We care for each and every student; as such in order to maintain the school's many operations, it is imperative that financial accounts are kept up-to-date. Should financial problems arise, please contact the school office to arrange an appointment with the Principal or Director of Finance. FACTS will accept checking account information, debit card, Visa, MasterCard, and American Express to pay tuition.

Financial Conditions

1. For a student to receive his/her schedule of classes, all tuition and fees must be current.
2. Parents/guardians may be required to sign a specific tuition agreement in order to register their student(s) for the next school year if the family's account is not current.
3. Any past due amounts will result in the suspension of FACTS SIS privileges.
4. Students whose accounts are in arrears will be prohibited from participating in team sports.
5. Continued past-due tuition may result in the following: Withholding of grades and transcripts, placement of the account with a collection agency, and withdrawal of the student from school.
6. Students whose accounts are three or more months in arrears and whose families have not replied to the school's collection attempts may be removed from the student roster and not admitted to class.
7. The school does not involve itself in any financial disputes among family members.

Withdrawal Policy

Students withdrawing from John Carroll should contact the school's Director of Enrollment for a detailed checklist of the withdrawal process. This may include the completion of the official withdrawal form and exit survey.

If a student withdraws before August 31st, tuition may be refunded on a prorated basis. If a student withdraws, is expelled, or is asked to leave after August 31st, the yearly tuition may be due in full regardless of the withdrawal date. Please note that any form of withdrawal would prompt a forfeit of financial assistance awarded by the school. Additionally, early withdrawals for families participating in the Florida Tax Credit Scholarship will receive a prorated benefit from the state.

VOLUNTEERING

The Diocese of Palm Beach's Charter for the Protection of Young People stipulates that ALL employees, vendors, and volunteers (parent or otherwise) comply with the diocesan policy before participating in any volunteer activity that takes place at the school or a school-related activity while students are present. This policy requires:

1. *A fingerprint/background clearance conducted by a diocesan approved entity. Forms to begin the process are available at John Carroll High School upon request.*
2. *Attend a diocesan approved Protecting God's Children Workshop. Information on how to register for the workshop is available at John Carroll High School.*

ACADEMICS

Please see our **Academics and Course Catalog** for more detailed information on www.johncarrollhigh.com

John Carroll provides an academically rigorous education in a Christ-centered environment. Students at John Carroll are treated as individuals with unique skill sets and abilities. The goal of our education is to help each student succeed to his or her fullest potential. As a college preparatory school, we seek to provide each student with the appropriate course load balanced with the student's potential to earn exceptional grades, college admittance, and subsequent success in college coursework. Teachers, guidance counselors, and administrators work together to place students in the appropriate courses for success. The final decision for student courses rests with the administration.

ACADEMIC PROGRAMS

- ❖ **The JCHS Amazon Future Engineer Program:** The Amazon Future Engineer program selected John Carroll High School as a recipient of its innovative STEM computer engineering track. John Carroll is proud to partner with Amazon/Project STEM to offer classes that cover computer science principles and coding. This program will prepare interested students for a college path in a computer-related field and inspire students to understand how computer science can impact and shape our world.
- ❖ **The Advanced Placement Capstone Diploma:** AP Capstone is a diploma program based on two year-long AP courses: AP Seminar and AP Research. These courses are designed to complement other AP courses that the AP Capstone student may be taking. Instead of teaching specific subject knowledge, AP Seminar and AP Research use an interdisciplinary approach to develop the critical thinking, research, collaboration, time management, and presentation skills students need for college-level work. The College Board developed the AP Capstone Diploma program at the request of higher education professionals, who saw a need for a systematic way for high school students to begin mastering these skills before college. Schools must meet certain requirements and be accepted by CollegeBoard to offer the AP Capstone program. John Carroll High School is an official AP Capstone school. To see a list of colleges that endorse the AP Capstone program, please visit <https://apcentral.collegeboard.org/courses/ap-capstone/higher-education-endorsement>.
- ❖ **Advanced Placement Courses:** John Carroll High School offers 15 AP courses all of which are taken on the JCHS campus. Students have an opportunity to take rigorous college-level classes and receive potential college credit. Students taking these courses commit to a

serious level of rigor and independent study. These courses are taught at the college level and provide important skills to students, which readily translate to success in college coursework beyond JCHS.

- Admission to Advanced Placement courses is by established prerequisites and teacher recommendation. AP courses are college-level courses for students who have demonstrated they are capable of performing at the college level.
 - At the end of each course, students are required to pay the required fee that is set by the College Board and to sit for the exam written by the College Board. College credit or placement may be awarded depending upon the score the student earns and the college or university a student attends. Payment for these courses is billed through Incidental Billing in the spring of each school year. Parents with students taking several AP exams should be aware that the cost per exam is approximately \$100 and prepare accordingly.
 - Summer assignments may be required for AP courses. Assignments will be posted on the John Carroll website and may be due the first day of class or as determined by the teacher.
- ❖ Honors courses: Honors courses are offered in mathematics, science, English, social studies, Spanish, and some electives. Consideration for placement in honors courses for incoming students includes a required grade average in a subject and a score in a designated percentile rank on the High School Placement Test or PSAT.
- Honors courses carry a weighted designation. Prerequisites may vary, but all honors-level courses consider maturity level, self-discipline, and self-motivation as characteristics students must possess in order to be recommended. Students who are struggling in an honors-level class are encouraged to communicate with the teacher to determine appropriate remedies. Teachers will contact parents if a student's grades are consistently below expectations. Current students are scheduled for honors courses by meeting the prerequisites.
- ❖ JCHS Academic Support Program: The Academic Support Program at JCHS is designed to support all students. However, specific accommodations can be made for students who have documented learning challenges. John Carroll High School believes that we are all created in the likeness and image of God. We recognize each of our students as unique individuals with diverse needs. The Academic Support Team* works collaboratively with parents, students, faculty, and staff to provide all students with the support and resources needed to be successful students, self-advocates, and lifelong learners.
- **For students with IEPs, 504 Plans, or a documented psycho-educational evaluation from a licensed school psychologist** reasonable accommodations may be provided. Documentation must state the specific disability as well as the possible accommodations to meet the needs described. The most beneficial times for testing a student with diverse learning needs would be in the 8th grade in preparation for the transition to high school. Documentation does not guarantee extended time with CollegeBoard or ACT.

- Appropriate documentation will be contained in the student's confidential personal file. The Academic Support Coordinator will create a support plan to be signed by the school and the parents. The Academic Support Coordinator will communicate student accommodations to the teachers and ensure that the accommodations are followed. The privacy and confidentiality of each student is strictly maintained.

Please note: John Carroll may not meet the needs of all potential students with diverse learning needs and retains the right to make that determination on a case by case basis.

In order to be eligible for the Family Empowerment Scholarship for Unique Abilities (FES-UA), a student must apply through the state of Florida Office of School Choice at www.stepupforstudents.org.

❖ **Academic Support available to all students**

Section 504 - Policy Statement

John Carrol High School complies with the mandate of Section 504 of the Rehabilitation Act which prohibits discrimination on the basis of disability in certain programs and activities. Pursuant to the requirements of the Rehabilitation Act, (Name) School will make those minor adjustments that can accommodate students with disabilities to the school's educational programs and activities.

The school's designated 504 Coordinator and contact information are as follows: Katie Kervi, (561) 775-9567., (561) 775-9532. Parents with questions regarding the school's disability accommodations or related items should contact the 504 Coordinator. Parents may file a grievance as to any decisions related to a disability accommodation and request an internal hearing and review by sending a written notice addressed as follows:

The internal hearing and review will seek the prompt and equitable resolution of disability discrimination complaints.

Florida Virtual School (FLVS) Courses

John Carroll High School is committed to providing the best academic education possible in a Christ-centered environment. We place a priority on the value of taking courses on the John Carroll campus. There are times, however, when it may be in a student's best interest to take a course through FLVS, such as credit recovery, or in the rare case that JCHS is unable to offer a particular needed class due to number of participants or staffing issues. Administrative approval is required for JCHS to accept outside credit for such a class that is also offered on John Carroll's campus, and approval is not guaranteed for every circumstance. Students and parents must complete an FLVS Course Request Form (available from Guidance) and submit it to Mrs. Vercillo for review. Approval of this form is required in order to receive approval and subsequent credit on a transcript for the requested FLVS course.

High School Credit for Math

John Carroll High School follows the Diocese of Palm Beach guidelines for high school credits in middle school. This policy is as follows: "Successful mastery of Algebra 1 is critical to a student's success in subsequent math classes, as well as success on the PSAT and SAT. In the best interest of

our students, the Diocese of Palm Beach provides the following policy regarding students seeking to receive Algebra 1 credit from a middle school Algebra 1 class”:

- I. Private Middle School Students:
 - A. Must receive an A or a B in Algebra 1 AND earn a 70% or higher on the diocesan end-of-course exam in order to move onto Geometry their Freshman year..
 - B. Students who score an 85% or higher on the diocesan end-of-course exam will be placed in Geometry Honors at the high school level.
 - C. Students who score between 70%-84% will be placed in Geometry at the academic level.
 - D. Students who score a 69% or lower will need to take Algebra 1 again.
- II. Public School Students:
 - A. Must receive an A, B, or C in Algebra 1 AND pass the state of Florida end-of-course exam.
 - B. Placement in honors or academic is determined by the admitting school based on grades and scores on the state EOC and/or the Diocesan algebra 1 final exam.
- III. The school and diocese reserve the right to address exceptions on an individual basis.

ACADEMIC HONORS & AWARDS

Honor Roll

The honor roll is posted at the end of each quarter grading period. The honor roll consists of two levels of recognition based upon achievement.

Principal's List	First Honors
All A's in all subjects	All A's with a maximum of two B's

Other Academic Achievements

- ❖ Valedictorian and Salutatorian
- ❖ Latin Honors - JCHS' Highest Academic Distinction
- ❖ Excellence Award: Given to the student with the highest grade in each class.
- ❖ Distinction Award: Given to the student who shows a passion for and work ethic in the subject.
- ❖ Various collegiate awards: Given to students selected by a particular college for outstanding achievement in certain fields.

Valedictorian/Salutatorian

In order to be valedictorian or salutatorian at JCHS, a student must be enrolled in John Carroll High School for three consecutive years. Students who are enrolled early admissions and full-time at IRSC are not eligible for valedictorian or salutatorian honors.

- ❖ For the Classes of 2023 and 2024: The student with the highest cumulative grade point average on the John Carroll weighted grading scale at the end of the first semester of the senior year will be designated as the valedictorian. The student ranking second will be the salutatorian. Averaging of numerical grades over the four-year high school period will be used in case of a tie.
 - The school may invite additional seniors to apply to be an additional class speaker for the commencement ceremony.
- ❖ Beginning with the class of 2025 and thereafter, John Carroll High School will no longer recognize a valedictorian and salutatorian based solely on cumulative grade point average. All students who are designated as Summa Cum Laude at the end of the first semester of their senior year will be recognized as the valedictorians of their class. One of these valedictorians will be selected as the commencement speaker after completing a thorough application that reflects the school's root beliefs and core values, culminating in a presentation to the school's faculty/staff.

Latin Honors Distinctions

Beginning with the class of 2023 and thereafter, John Carroll High School will no longer rank students by grade point average. John Carroll will use the following criteria for recognizing academic achievement:

Senior Awards:

- ❖ President's Award: Given to a standout senior who exemplifies the best qualities of a John Carroll student

- ❖ **Principal's Award:** Given to a standout senior who has overcome personal challenges while maintaining excellence as a student.

Bright Futures Scholarship Awards

John Carroll High School is blessed to have roughly 30% of its graduating seniors earn Bright Futures scholarships each year. Bright Futures Scholarship recipients receive either 75% or 100% of their tuition paid when they attend a Florida public college or university. John Carroll's Guidance Office aids students in ensuring they understand the requirements and what they need to do to earn the scholarships. In addition, the guidance office coordinates the registration of scholarship recipients online, taking the burden off of the parent.

PROGRESS REPORTS

Midway through each quarter, an email with a link to each student's progress report will be sent to all families. Please note that parents/guardians may access their student's class progress at any time during the school year via FACTS SIS.

DUAL ENROLLMENT POLICY

Indian River State College (IRSC) and John Carroll High School have an articulation agreement whereby eligible high school students may enroll in certain college courses. Dual Enrollment is an option to earn college credit, but students and their parents must be aware of the risks as well.

Please note that universities weigh Dual Enrollment, AICE, Advanced Placement, and International Baccalaureate classes equally. The decision to take dual enrollment courses must be made carefully with input and direction from the JCHS guidance department. John Carroll offers ENC 1101 and ENC 1102 on campus. Students are also able to take approved asynchronous dual enrollment electives during the school day on campus. It is preferential for students to take advantage of the dual enrollment classes offered on the John Carroll campus first to ensure suitability and to maintain their connection with the school community. Students considering dual enrollment courses must keep in mind the following:

1. Colleges and universities may or may not accept dual enrollment credits. It is the responsibility of the student and family to ensure that the college the student plans to attend will accept dual enrollment courses from IRSC.
2. A student's grade from a Dual Enrollment class becomes part of the student's college transcript and grade point average for college. Poor performance in Dual Enrollment classes may affect a student's eligibility to gain acceptance into his or her major of choice at the university level. There is no grade forgiveness option for dual enrollment courses.
3. JCHS has limited oversight of IRSC professors or employees as to instruction or behavior.

PART-TIME DUAL ENROLLMENT

Part-Time Dual Enrollment Courses

John Carroll High School has an articulation agreement with Indian River State College. Through this agreement, John Carroll currently offers two dual enrollment classes on our campus, which we offer to students at no additional tuition cost. At this time, students may also take classes at IRSC over the summer at no charge. Students may not take classes part-time on IRSC's campus during

the school day due to IRSC's articulation agreement. Students hoping to take dual enrollment courses must begin the process well in advance with the JCHS guidance department. All dual enrollment courses and their grades will appear on the John Carroll transcript.

Minimum Eligibility

- ❖ Completion of a minimum of 4.0 high school credits
- ❖ Cumulative grade point average 3.0 or above (unweighted)
- ❖ Qualifying test scores on SAT/ACT/PERT
- ❖ Read, sign, and abide by the JCHS Dual Enrollment Student Contract

In addition, students at John Carroll High School may take part in dual enrollment classes under the following conditions:

During The School Year (On-Campus Dual Enrollment Classes)

- ❖ Students must have sophomore, junior, or senior status.
- ❖ Students must be at least 15 years old.
- ❖ Students must receive administrative approval.

During The Summer Session

- ❖ Students in grades nine - twelve may participate though some students may be limited to certain classes based on prerequisites.

FULL-TIME DUAL ENROLLMENT

John Carroll High School believes that the opportunity to be a full-time dual enrollment student is a privilege, and as such, the school has high standards and expectations for all students who elect to participate in this program. All dual enrollment courses and their grades will appear on the John Carroll transcript.

Students seeking early admission status for full-time dual enrollment must meet the following requirements:

- ❖ Have a 3.0 unweighted JCHS cumulative GPA.
- ❖ Be eligible for college credit for English, reading, and math.
- ❖ Be approved by the JCHS administration for participation (see form in the Guidance Office)
- ❖ Meet all graduation requirements. Senior English requirements can be met by successfully completing the college freshman English courses. Religion courses must be completed through John Carroll High School as a graduation requirement.
- ❖ Half of the applicable tuition charge will be assessed. The business office will make these arrangements.
- ❖ Early admission is a year-long commitment.
- ❖ Read, sign, and abide by the JCHS Dual Enrollment Student Contract.

Early admission full-time dual enrollment students are still considered John Carroll Catholic High School students with all rights and responsibilities, with the exception that they may not hold

office in student government or be a class officer, or be valedictorian or salutatorian of their class. However, they may belong to organizations, be members of sports teams, attend school functions (such as Prom, Grad Bash, etc.), and take part in all graduation activities. It is the student's responsibility to keep himself/herself informed as to the dates and times of such activities. John Carroll reserves the right to amend the option for full-time dual enrollment at any time. Dual enrollment GPAs will be calculated on the JCHS scale.

EXAMS

Semester Exam Policy

Given in all classes, semester exams (midterms and finals) account for 20% of a student's semester grade. Dates are set aside well in advance of the exams and can be found both in email communications as well as the school calendar.

Only in the case of a medical emergency, legal appointment(s), or a death in the immediate family will the administration excuse a student from taking an exam on the scheduled date. Seniors having the required second semester average of 90% or higher AND eight or fewer total absences [measured by 40 or less class periods missed] (both excused and unexcused) during the *entire senior year* will be exempt from their final exams. A senior may not be exempt from an exam in a course for which he is attempting to make up credit for grade forgiveness. John Carroll reserves the right to amend this policy as needed.

Because of the importance of the semester exams, John Carroll will not allow students to reschedule semester exams except for the aforementioned exceptions. Like many of our peer institutions, John Carroll will charge families \$50 per rescheduled exam due to the time needed for a staff or faculty member to personally monitor your child's make-up exams.

STANDARDIZED TESTING

High School Placement Test

The High School Placement Test is a tool John Carroll uses to determine placement in courses for incoming freshmen students. John Carroll follows the guidelines of the Scholastic Testing Service and does not allow any retakes for the High School Placement Test.

PSAT/MAP Testing at John Carroll

John Carroll does not teach to a certain standardized test, nor do we require students to pass a standardized test in order to move to the next grade level. John Carroll uses both the PSAT and the NWEA MAP testing data to gauge how we are doing as a school, how we can improve, and as a measurement of student growth. We use data from these tests to improve our instruction to better meet the needs of our students.

- ❖ PSAT: Students take the PSAT once a year in ninth, tenth, and eleventh grades. This test serves as a barometer for the SAT as well as a qualifying exam for the National Merit Scholarship Program.

- For interested students, John Carroll shares information on optional PSAT preparation programs.
- ❖ NWEA MAP test - Students in ninth and tenth grades may take the MAP test at designated times throughout the school year. This test provides rich data for teachers to use to guide their instruction and improve student achievement.

FAILURES AND ACADEMIC PROBATION

Students in ninth, tenth, and eleventh grades may make up failures by attending an accredited summer school program through a county school system, a remedial summer school course offered by JCHS, by taking the class on FLVS, or by retaking the course at John Carroll the following school year. Students whose grades fall below a 2.0 GPA or who fail two or more classes at the end of a semester may be placed on academic probation.

Academic Probation

Students who are unable to demonstrate adequate academic progress are placed on Academic Probation in order to establish a plan to assist the student and to impress upon the student the need for the academic improvement needed as well as the required expectations. A student is placed on Academic Probation if:

- ❖ The student has failed two or more courses during the semester.
- ❖ The student has a cumulative GPA below 2.0.
 - Students who are placed on Academic Probation are expected to comply with the actions listed below. Failure to comply with the expectations established to assist the student in achieving success may jeopardize the student's ability to remain a student at John Carroll High School. Students who are on academic probation may be asked to:
 - Sign an Academic Probation Contract
 - Attend meetings with a guidance counselor, support teacher, or other school mentor as deemed necessary.
 - Attend mandated after school help with assigned teachers.
 - Attend parent-student conferences as deemed necessary.
 - Suspend JCHS extracurricular involvement including athletic eligibility.

GRADING AND REPORT CARDS

Report cards are posted to FACTS SIS each quarter (every nine weeks). A serious attempt is made at all times to evaluate, in the best possible manner, the progress of students. The following grading system has been devised for that purpose:

A (90-100): The student is more than meeting the demands of the teacher. His/Her work is on time and is of superior quality. It shows a mastery of the subject matter. He/She has the ability to carry the job through and exerts a positive influence on the class.

B (80-89): The work is above average and well done. The student meets the demands of the teacher and exerts a positive influence on the class.

C (70-79): The student does the required work satisfactorily. The work is on time and is of average quality. The student shows growth.

D (60-69): The student is not doing all of the required work, is dependent on others, is inconsistent, and is uncertain. Work is below average and shows little evidence of growth.

F (59 or below): The work is unsatisfactory. The student has little growth taking place. He/She shows a lack of interest or has irregular attendance habits.

The final semester average is computed in the following manner: Each quarter grade equals 40% each, and the semester exam equals 20%. Credit is granted by semester. For example, a student earns one-half credit for each semester course successfully completed. Consequently, if a student fails one semester, he/she must make up only the failed semester.

GRADUATION POLICIES

Each student must have completed all graduation requirements, have satisfied any disciplinary consequences, and have met all financial obligations in order to participate in the graduation ceremony. Any student who has not met all of the academic requirements but who can fulfill them by attending summer school may take part in the school's graduation ceremony with the announcement made that he/she is receiving a certificate of attendance. Each student must also attend both the Baccalaureate Mass and Commencement ceremony practice as well as the Baccalaureate Mass itself in order to participate in the commencement exercises.

In addition to academic requirements, participation in both the Baccalaureate Mass and commencement exercises is required to earn a John Carroll diploma. The administration reserves the right to prohibit anyone from participating in any of the commencement activities and/or delay or deny transcript requests.

In order to be valedictorian or salutatorian at JCHS, a student must be enrolled in John Carroll High School for three consecutive years. Students who are enrolled early admissions and full-time at IRSC are not eligible for valedictorian or salutatorian honors.

- ❖ For the class of 2024: The senior with the highest cumulative grade point average on the John Carroll weighted grading scale after the second semester and final exam grades have been calculated will be designated as the valedictorian. The student ranking second will be the salutatorian. Averaging of numerical grades over the four-year high school period will be used in case of a tie.
- ❖ Beginning with the class of 2025 and thereafter, John Carroll High School will no longer recognize a valedictorian and salutatorian based solely on cumulative grade point average. All students who are designated as Summa Cum Laude at the end of the first semester of their senior year will be recognized as the valedictorians of their class. One of these valedictorians will be selected as the commencement speaker after completing a thorough application that reflects the school's root beliefs and core values, culminating in a presentation to the school's faculty/staff.

Students who take high school courses in middle school and transfer them must realize that they are beginning a high school transcript that will affect their high school GPA.

FOREIGN LANGUAGE REQUIREMENT

Admission requirements for institutions in the Florida university system and many colleges and universities outside the state of Florida may include two years of a foreign language, Algebra I and II, and Geometry. Specific average ACT/SAT scores are also required. Please be advised that some colleges are now requiring three years of a foreign language. It is the responsibility of the student and parent to determine which schools a student is applying to and check that school's requirements.

PARENT-TEACHER-STUDENT COMMUNICATION REGARDING ACADEMICS

John Carroll's mission is to educate the whole child. All parties should understand that students learn best when there is cooperation and support between home and school. If a student is having a problem with a teacher, class, or grade, the school asks the following:

- ❖ First, the student should advocate for himself or herself by communicating with his or her teacher directly to try to solve the problem, issue, or concern.
- ❖ Second, if the student is unable to successfully resolve the issue, the parent may contact the teacher directly. Most of the time a face-to-face meeting with the teacher, parent, and student will resolve any concerns and provide a plan to move forward.
- ❖ If a problem persists after a parent-teacher meeting, a parent is invited to contact administration and/or Guidance to help resolve any issues.

SCHEDULE CHANGES

Students are advised to think carefully before choosing their courses for the coming year. Many of our elective courses are challenging, and students should be prepared to put forth their best effort for all classes. The school's guidance department will communicate with families regarding a students' course selections. Upperclassmen receive priority in scheduling.

There is a one-week period after the start of a new semester for changes to schedules due to the following:

1. Incorrect class assignment
2. Graduation requirement
3. Level change

Please see the school's Academic Handbook/Course Catalog for more details on the school's Appeals Week process for future course placement and level changes.

SCHOLARSHIPS FOR COLLEGES AND UNIVERSITIES

Scholarship information is available in the guidance office. A guidance counselor will assist the student with scholarship preparation when possible. However, it is the student's responsibility to provide all information and/or documentation required by the scholarship donor. The Guidance Office will send any necessary transcripts with the scholarship application at the student's request.

Bright Futures Scholarships: The guidance office submits the necessary information to the Florida Department of Education for any student who may be eligible for the Bright Futures Scholarships. Students are periodically given information regarding this award and are encouraged to maintain an unweighted 3.0 GPA in their core academic subjects. For further information on this GPA, please contact our Guidance Office. Students and their parents should consult www.myfloridaeducation.com/brfuture frequently for updates. For more information, please see the Bright Futures section above.

STUDENT RECORDS

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. *The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.
Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal (or appropriate school official) identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.*
2. *The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.*

Parents or eligible students who wish to ask the School to amend a record should write the School principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. *The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.*
4. *The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:*
*Family Policy Compliance Office
 U.S. Department of Education
 400 Maryland Avenue, SW

STUDENT SUCCESS AND EXPECTATIONS

PARENTAL COOPERATION

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it be at school events, on or off school campus, or on social media or other public forum. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

The school serves as a ministry of the Diocese of Palm Beach and is committed to the spiritual growth of the student body. Therefore, parents are expected to support the Catholicity of John Carroll High School by actively ensuring students are able to participate in all faith-based activities at the school including masses, retreats, and prayer while a student at JCHS.

RESPONSIBILITY AND DISCIPLINE

The demerit and disciplinary policies and procedures set forth in this handbook provide guidelines that the school may, at its discretion, employ in regulating student conduct. They do not, however, limit the school's right to exercise freely and fully any and all disciplinary measures, with or without prior notice or warning, including expulsion from school at the sole discretion of the school administration.

John Carroll reserves the right to ask any student to withdraw or to expel any student at any time for any reason without prior warning at the discretion of the administration.

Guided by our Catholic faith, John Carroll High School has compiled a set of expectations for students to follow while they are at school, at school functions, or on the bus. This code of conduct is designed to establish more effective and equitable guidelines for student behavior while calling to mind virtuous behavior found in the Gospels. It will be used by all teachers and other staff members at John Carroll High School. The need for this code of conduct is based not only upon the school's responsibility to educate students in the area of discipline, but also upon the student's education without interruption, distraction, and/or disturbance from his/her fellow classmates. More specific student responsibilities can be found on the following pages.

Should the need for disciplinary action arise, each teacher will have the option of using one or more alternative methods in rectifying the situation, depending upon the maturity of the student, the frequency of the infraction, the attitude of the student, the degree of student cooperation, the emotional state of the student, and the nature of the infraction. It should be noted that in the case of serious offenses, the student will be referred to the administration. In such cases, disciplinary measures will be used at the discretion of the administrative staff. The administration reserves the right to question students without parents present.

Any parent who has a question about this code of conduct or his/her child's behavior, in general, should contact the school. We appreciate your attention and cooperation in upholding the following Code of Conduct. At the parent's request, a parent/administrative conference may be arranged.

JOHN CARROLL HIGH SCHOOL CODE OF CONDUCT

Conduct

Students and Parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Bishop of the Diocese of Palm Beach. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including expulsion, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

John Carroll High School assumes that students intend to do their best in all areas of school life. Students and their parents are expected to willingly support the philosophy, policies, and rules of the school. Registered students are Catholic school representatives 24 hours a day, seven days a week, and are responsible for acting in a way that brings credit to both church and school. Inappropriate conduct, whether inside or outside of the school, that is detrimental to the reputation of the school or affects daily school life, is not tolerable and is subject to disciplinary action. This includes any inappropriate conduct on the Internet and includes school and personal electronic devices (i.e. cell phones, etc.)

Students involved in any noteworthy failure to observe rules of conduct are referred to the Assistant Principal of Student Life. The disciplinary policies and procedures set forth in this handbook provide guidelines that John Carroll High School may, at its discretion, employ in regulating student conduct. They do not, however, limit the school's right to exercise freely and fully any and all disciplinary measures, with or without prior notice or warning, including expulsion from school, at the sole discretion of the school administration.

ANTI-BULLYING POLICY

The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

1. *physically, emotionally, or mentally harming a student;*
2. *damaging, extorting or taking a student's personal property;*
3. *placing a student in reasonable fear of emotional or mental harm;*
4. *placing a student in reasonable fear of damage to or loss of personal property; or*
5. *creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.*

1. Definition

- a. **Bullying** is the willful and repeated harm inflicted upon another individual which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.
 - b. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.
2. Scope
 - a. This policy prohibits bullying that occurs either:
 - i. on school premises before, during, or after school hours;
 - ii. on any bus or vehicle as part of any school activity; or
 - iii. during any school function, extracurricular activity or other school-sponsored event or activity.
3. Reporting Complaints
 - a. Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.
4. Disciplinary Action
 - a. Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

Bullying/Harassment Investigation Disclosures: While the School generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the School may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or other measures that relate to the harassment and/or bullying at issue regardless of whether the matters disclosed are part of an educational record.

Students' Responsibilities

Students have certain responsibilities that will uphold the purpose, values, and mission of the school and will allow each student to have the opportunity for success. Student responsibilities include but are not limited to the following:

- ❖ Become familiar with the policies, rules, and regulations which concern the students' conduct at school.
- ❖ Behave in a manner consistent with Catholic social teaching and that allows learning to take place without interruption.
- ❖ Show respect for fellow students, school personnel, and campus visitors.
- ❖ Neither to take nor to damage the property of other students, school personnel, or of the school itself. Students will be financially responsible for any damage/loss they cause.
- ❖ Express themselves without violating the rights of others or without interfering with the orderly educational process. They also have the responsibility to listen courteously to differing points of view.
- ❖ Carry only those materials which are acceptable by law, and which are not hazardous to any person or property.
- ❖ Upon any infraction of the rules, accept the disciplinary actions as prescribed in the Code of Conduct or as prescribed by the administration.
- ❖ Remain on campus once they arrive until they have permission to leave or until the school day ends.

John Carroll High School Demerit Policy

The Demerit Policy is a discipline system at John Carroll High School that exists for the purpose of assisting students in making good choices toward enhancing their academic, social, and behavioral well-being, as well as the development of their character. This demerit system provides students with grace and an opportunity to improve and change their behavior, while also providing valuable accountability.

Steps may be skipped based on the severity of the offense. Alternative discipline may also be instituted at any time, such as cafeteria clean-up duty, suspension from athletic practice/play, or extracurricular activities. These alternative forms rest solely at the discretion of the administration. A conference with parents can be requested, and/or a student may be placed on a probationary discipline contract at any time.

Once a student is placed on probation, the next major offense may result in the student being asked to leave John Carroll.

At the end of each semester, an administrative review of student discipline/academic performance will be conducted. This review will include input from the discipline record and the administration. At the discretion of the administration, a student may be placed on probation, may be asked to withdraw, or may be expelled.

John Carroll reserves the right to make changes to this system at any time.

Overview of Demerit Policy:

- ❖ Each infraction has a demerit value. (Some infractions are assessed multiple demerits – i.e. skipping class.)
- ❖ See the chart below for the discipline infractions per demerit numbers.
- ❖ Each student begins the year at zero demerits.
- ❖ Demerit numbers start over each semester or every 18 weeks.
- ❖ A list of demerits for each offense is available. Because the school cannot predict every infraction, the school reserves the right to issue demerits as needed.
- ❖ When a student has an infraction, it is written up and stored in FACTS SIS and a communication is sent to the student, parent/guardian, and the instructor/coach/or administrator issuing the infraction. No demerit or discipline goes on a John Carroll college transcript ever.

Discipline Overviews:

- ❖ Service Detention: A student reports to a specified location on campus 5 minutes after the last bell of the day and serves either a 30 minute, one hour, or three hour service detention. Students may have a writing assignment or be required to help around the school as necessary. Phones or other personal electronics are not permitted while in detention.
- ❖ Clean-up duty in Café: Students push trash cans, wipe tables, and perform general clean-up duties during the last 10 minutes of lunch.
- ❖ In-School/Out of School Suspension: During any suspension (in or out of school), students must make up all classwork and homework for the day. Tests, quizzes, projects, and papers will be made up at a time designated by the teacher(s). Any suspended student may not participate in extracurricular activities that day. Further penalties may be assessed when the situation warrants.
- ❖ Probation/Discipline Contract: Discipline Contracts are written to provide accountability for a student to make healthy and consistent choices that aid in their current and future success. When a student seems to be in a pattern of poor choices, steps must be made in order for the student to break those patterns. The contract is written in order to provide clear steps to break those poor choice patterns while working closely with the student and parents.

ADDITIONAL INFORMATION ON VARIOUS OFFENSES

Sexting

The electronic transmission or receipt from one minor to another of any photograph or video that depicts nudity may constitute illegal sexting. Students engaged in sexting will be subject to serious disciplinary consequences which may include expulsion from school. In addition, the school administration may report instances of sexting to the Florida Department of Children and Families or local law enforcement for appropriate investigation as to violations of law.

Sexual Harassment

Sexual harassment is defined as taking non-consensual or abusive sexual advantage of an individual for their own benefit or for the benefit of anyone other than the individual being exploited.

Smoking/Vaping

It is a violation of Florida law for any minor to knowingly possess any tobacco product, nicotine product, or nicotine dispensing device. In addition, the use of tobacco products, electronic cigarettes, and vaping carry known health risks that can be very serious. The use of any tobacco products,

electronic cigarettes, and/or vaping in any form is prohibited on school property and at any school events. Violation of this policy will result in disciplinary consequences which may include expulsion from school.

In addition, if a student is found in possession of marijuana or other illegal drugs in any form, law enforcement may be notified. Violation of this policy will result in disciplinary consequences which will likely include administrative withdrawal from school.

Weapons Policy

Weapons are not permitted anywhere on school grounds or at any school activity. Any student who brings a weapon to any school activity, who is in possession of a weapon, or who threatens others with a weapon may be expelled from the school. Any item used to threaten or cause bodily harm may be considered a weapon. In particular, the possession of any instruments or objects that can be used to inflict serious harm on another person or that can place a person in reasonable fear of serious harm will be considered weapons. Included in this category are BB guns, Airsoft guns, and toy or replica guns represented as real guns. Also included in this category is the possession or storage of items which are prohibited at school, including but not limited to ammunition clips, bullets or cartridges, flammable liquids, combustible materials, poisonous substances, mace, pepper spray, and any other items which may result in injury.

ID Cards

John Carroll High School students are expected to always wear a school-produced identification card during the school day. Should a student lose or misplace his/her ID, a new one will need to be produced that day, and the student's account may be charged \$20 for each new ID card.

Public Displays of Affection

The Catholic school promotes friendship, charity, kindness, love and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension or expulsion. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

Search and Seizure Policy

The principal and his/her designee has access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

CELL PHONE POLICY

Rationale

John Carroll is a place of learning within a loving, Christ-centered community. Cell phones, while helpful for making transportation arrangements and of use in an emergency, are not conducive to

an effective learning environment nor to building fellowship amongst students. Further, cell phones can be a distraction and disruption to the entire learning community. As such John Carroll has implemented the following policy to preserve the integrity of the classroom and foster face-to-face communication among students and teachers.

Cell Phone Policy

1. Cell phones may not be visible or pulled out during class time or during lunch at any time while on campus. Students will be, however, allowed to access their phones while in the hallway during transition times between class periods.
 - a. Students will be asked to “check in” their phones at the start of each class period in order to limit distractions and allow students to focus on their learning. Cell phones will be safely held by the teacher throughout each class period, including when a student has to leave the classroom to use the restroom.
2. This policy also includes the use of headphones or earbuds/airpods, regardless of whether the student is listening to them or not.
 - a. Please note: If a student has headphones/earbuds/airpods in, the phone and headphones/earbuds/airpods will be collected. An exception to this policy is when a teacher permits a student to bring headphones to be used with the iPad for educational purposes.
3. Students may be asked to remove a smart watch during any school assessments. Included is any watch that has the capability of synching to a phone, computer, iPad, or any other device with internet capabilities.

Consequences for Breaking Cell Phone Policy

1. If a cell phone is visible during class, flex time, and/or lunch, the student’s cell phone and/or earphones/buds will be taken without prior warning for the entirety of the school day. It does not matter if a student puts his or her phone away before the teacher approaches or if they pull it out for a quick second to check the time. If the phone or earbuds come out, regardless of why, the policy has been broken.
2. The staff member will take possession of the phone and secure it. The phone is then turned over to the front office. At the end of the day, the student must go to the front office to retrieve his or her phone. If a student does not arrive before the Assistant Principal of Student Life leaves, the student will need to pick up the phone the next day.
3. The student will receive 10 demerits per the demerit policy outlined above.
4. If a student breaks the policy a second time during a quarter, then the phone must be retrieved by a parent or guardian before or after school in the Front Office. More serious consequences may be levied at the administration's discretion for repeat offenses.

Students may not use their personal cell phones to make phone calls, even to their parent/guardian, during the school day unless they have been granted permission by a staff member for a specific purpose (i.e. lunch money in an account, arrange a ride, etc.). If needed, students may also use the school phone located in the front office during transition periods or during lunch. Students should refrain from using the school phone during class time.

DISCIPLINARY REFERRAL TO THE ASSISTANT PRINCIPAL OF STUDENT LIFE

In the event a student is sent to the office, disciplinary actions may be taken. These actions may include detention, restriction from extracurricular school activities, suspension or expulsion from the school bus, suspension, expulsion from school, or other measures as deemed necessary. In some instances, the decision as to the proper action to be taken may be made by the principal and/or the administrative team. A minimum of 10 demerits is assigned if a student is sent out of class to the office.

Detention

Detention Rules

1. Must be on time, bring school work, be in JCHS dress code, conduct themselves in a respectful manner and complete all assigned tasks without argument or refusal. Unruly students will be asked to leave the service detention.
2. A student must serve his/her assigned detention on or before the assigned date before he/she can take part in any extracurricular activity, including sports games or practices.
3. During any suspension (in or out of school), students must make up all classwork and homework for the day. Tests, quizzes, projects, and papers will be made up at a time designated by the teacher(s). Any suspended student may not participate in nor attend, even "just to watch," extracurricular activities that day. Further penalties may be assessed when the situation warrants.

Students will be required to make provisions for their own transportation at the conclusion of the detention. Students will be notified at least 24 hours in advance of any assigned after-school detentions. Parents should feel free to contact the administration at any time if they have questions concerning their student's detention.

NOTE: In order to excuse a detention, a parent/ guardian must contact the school by noon on the day of the assigned detention and provide written verification of the necessary appointment. Work, practice, games, etc. are not valid excuses.

Out-of-School Suspension

A student may be placed on out-of-school suspension at the discretion of the school administration. The student must make up all classwork and homework for the day, and a parent conference/contact will be required before the student may re-enter school.

COMPUTER USE

The school may provide its administrators, faculty, and students with access to computers and various information technology resources including email and Internet access in order to enhance the teaching and learning environment of the school and to improve the school's operations. Students must use these resources in a responsible, ethical, and legal manner in accordance with the mission of the school and Catholic teachings. Therefore, students must abide by the following general rules of conduct:

1. *Respect and protect the privacy of others:*
 - a. *Use only assigned accounts and passwords;*
 - b. *Do not share assigned accounts or passwords with others;*
 - c. *Do not view, use or copy passwords, data or networks to which you are not authorized;*
 - d. *Do not share or distribute private information about yourself or others.*
2. *Respect and protect the integrity, availability, and security of all electronic resources:*
 - a. *Observe all network security practices;*
 - b. *Report security risks or violations to the school principal;*
 - c. *Do not vandalize, destroy or damage data, networks, hardware, computer systems or other resources;*
 - d. *Do not disrupt the operation of the network or create or place a virus on the network;*
 - e. *Conserve and protect these resources for other students and Internet users.*
3. *Respect and protect the intellectual property of others:*
 - a. *Do not infringe on copyright laws including downloading or copying music, games or movies;*
 - b. *Do not install unlicensed or unapproved software;*
 - c. *Do not plagiarize.*
4. *Respect the principles of the Catholic school:*
 - a. *Use only in ways that are kind and respectful;*
 - b. *Report threatening or discomforting materials to the school principal;*
 - c. *Do not access, transmit, copy or create materials that violate the school's code of conduct (such as indecent, threatening, rude, discriminatory or harassing materials or messages);*
 - d. *Do not access, transmit, copy or create materials that are illegal (such as obscene, stolen, or illegally copied materials or messages);*
 - e. *Do not use the resources to further any other acts that are criminal or violate the school's code of conduct;*
 - f. *Do not use the resources for non-educational purposes such as visiting chat rooms, social websites or networks;*
 - g. *Do not send spam, chain letters or other mass unsolicited mailings;*
 - h. *Do not buy, sell, advertise, or otherwise conduct business or political campaigning without prior written approval from the school's principal.*
 - i. *Do not engage in any form of cyberbullying.*

Supervision and Monitoring

The school and its authorized personnel may monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. The school reserves the right to examine, use, and disclose any data found on the school's information networks or on any technological devices used by students on campus in order to further any administrative concern. It may also use this information in disciplinary actions and may furnish evidence of a crime to law enforcement.

Unacceptable Use of Outside Technology

The school expects students to use information technology and social media (including, but not limited to, the Internet, email, instant messaging and text messaging) in a responsible and ethical fashion in compliance with all applicable laws and with Christian moral principles, both in and out of the school setting. Accordingly, students may not post, place, upload, share, or communicate any images, photographs, statements or inferences relating to or including profanity, vulgarity, indecency, illegal use of drugs, illegal use of alcohol or other illegal or illicit activities. Additionally, students may not use information technology for the purpose of defaming, threatening, teasing or harassing any other student, staff member, parent, faculty member, or other person. This includes, but is not limited to, communications on social networks. In addition, this rule applies to communications both during the school year and while students are on vacation or summer breaks. Students are responsible for all materials and communications made on personal websites and on social media, and the materials and communications should be consistent with Christian moral principles, including any materials or communications posted on their sites by other individuals. Moreover, any unauthorized use of the school's name (or common names associated with the school) or any likeness or image of the school or its employees or agents is strictly prohibited.

Consent

Many technological devices used at school have the capacity to generate audio recordings, video recordings, photographs, and other similar reproductions of images, likenesses, and/or sounds. The use of any such recordings and reproductions is governed by school policy. Parental/guardian execution of this Handbook constitutes an express consent and waiver as to any such recordings and reproductions incidental to the use of any technological devices on school property or at school events.

Consequences for Violations

A violation of these rules may result in disciplinary action, including the loss of a student's privilege to use the school's information technology resources and any additional consequences at the principal's discretion including expulsion.

E-HALL PASS

John Carroll High School reserves the right to use the E-Hall Pass as part of its safety and security protocol. E-Hall Pass is a digital hallway pass system that aids in holding students accountable. E-Hall Pass tracks students when they leave the classroom, keeps track of their whereabouts, and how long they are out of the classroom. The system also keeps records of how many times a student leaves the classroom in a day.

HARASSMENT AND DISCRIMINATION

The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Diocese of Palm Beach. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

INTEGRITY

John Carroll Catholic High School stands for truth, as evidenced by the Latin “veritas” on our school seal. Truth and honesty do not allow us to take that which does not belong to us or to give information to others that is to be used for a dishonest purpose. Further, students who are seen with a cell phone out during an assessment, regardless of whether the student is actually cheating or not, will be subject to the penalties as outlined below.

Any student who cheats on any assignment may be subject to serious penalties at the discretion of the teacher and administration including but not limited to a zero on the given assignment. The official administrative recommendation to any teacher is to give a zero on a given assignment without the opportunity to make up said assignment. In the event the school must use distance learning, the school reserves the right to implement software or other resources as necessary to ensure the academic integrity of assessments.

Cheating and/or plagiarism will not be tolerated in any form at John Carroll. Cheating is defined as using or attempting to use materials, information, notes, study aids, or other assistance in any type of examination or evaluation which have not been authorized by the instructor. Plagiarism is intentionally or unintentionally presenting the work of another as one's own.

This would include (but is not limited to) any of the following behaviors:

- The use of ChatGPT or other generative software
- Copying another person's test, quiz, or assignment of any kind
- Allowing someone else to copy assessment or assignment answers or divulging test questions and answers to other students
- Using electronic devices to capture, send, or retrieve data, images, or voice/video information during assessments or assignments, including in a group chat setting
- Using “cheat sheets” of any kind
- Intentionally or unintentionally presenting the work of another as one's own

- Copying portions of written work (including reports in books, encyclopedias, and magazines, those written by other students, or from Internet/on-line sources) without giving credit to the author. It is unacceptable to borrow any work (or pay another person to do one's work) and then submit that work as one's own

Consequences, regardless if it is homework, classwork, a quiz, or a major assessment, may include but are not limited to:

- Student receives no credit (zero) on the assignment without any opportunity to make it up; credit may be given at the discretion of the teacher - Administrative recommendation
- Documentation of the infraction is entered on the student's record - regardless of consequence assigned by teacher
- Student may be placed on academic or disciplinary probation
- Other consequences may apply as deemed appropriate by the Administration

JCHS is taking a strong stance against the use of ChatGPT and other generative software. If a teacher suspects, through the use of detection software, that a student has used ChatGPT or another generative software to gain an unfair advantage in any way in any class that student is subject to academic and disciplinary action including receiving a zero on a given assignment without the opportunity to earn back said points.

INTERNET USE POLICY

John Carroll High School expects that all students will use the Internet in a responsible and ethical fashion in compliance with all applicable laws, and with Catholic moral principles and social teachings, both in and out of the school setting. Any reference by a student or parent regarding John Carroll High School, its administration, employees, or agents on the Internet in a defamatory or other fashion deemed inappropriate in any way by the school may result in severe consequences, up to and including expulsion. John Carroll High School may notify law enforcement as appropriate and/or take further action against such persons, at its discretion. Any unauthorized use of the name "John Carroll High School" or any likeness or image of the school or of its employees/agents is strictly prohibited.

THREATS OF VIOLENCE

The disciplinary consequences for a student whose verbal or written comments, including email messages, that threaten serious bodily harm to another student or member of the faculty or staff or destruction of property, may include, but not be limited to:

1. *Immediate suspension from the school;*
2. *Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation. If it is determined that the child was serious about the threat and has the capacity to carry it out, the child may be expelled from the school. If it is determined that the child did not seriously intend to do harm to others, the child may be allowed to return to the school, at the discretion of the school principal.*

3. *If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be expelled from school;*
4. *The school should inform the Department of Schools of these cases. The school may submit an informational report to the police.*

COMMUNICABLE DISEASE AND RELATED ITEMS

Attendance at school and participation in school activities poses some risks including the transmission of communicable disease. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and participate in school activities and/or by coming onto the school campus and attending school activities themselves.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration make it unfeasible, unsafe or otherwise imprudent to continue campus- based education, school educational programs shall resume as soon as practical by way of distance learning and/or other methods adopted by the school administration and faculty. Due to the school's continuing financial obligations related to operations, there will be no suspension, reduction, or refund of tuition in these circumstances.

STUDENT LIFE

Christian Service Program

The JCHS Christian Service Program seeks to provide for the kinds of powerful interpersonal experiences that can change the hearts of our students and teach them to readily see the dignity of every human person. This program differentiates the level and style of service by designating service as either outreach service, service completed for one's own church and school, or support service. Throughout a student's four years at JCHS, he/she will be challenged to perform acts of service designed as outreach service that meet a direct need of those in our local community. Our goal is to help students see service as an opportunity to encounter, rather than just to complete hours for a requirement.

- OUTREACH service is done by giving service person-to-person to individuals or organizations who are in need within the larger community. Examples of OUTREACH service are:
 - Providing companionship for people at assisted living facilities
 - Mentoring children at a summer camp or in a sports league
 - Volunteering at a non-profit organization such as United Against Poverty, Treasure Coast Food Bank, Sarah's Kitchen, Mustard Seed, Hope's Closet, Heathcote Botanical Gardens
 - Volunteering at an event such as a fundraiser for a non-profit organization or church

- CHURCH/SCHOOL/SUPPORT service is done to support and enhance the mission of one's own school and/or one's church community or by collecting donations for the larger community. Examples of CHURCH/SCHOOL/SUPPORT service are:
 - Volunteer at a JCHS event such as receptions, Open House, club events, annual gala
 - Assist the JCHS faculty/staff with extracurricular activities
 - Assist the JCHS athletic department at sporting practices and games
 - Volunteer in a church ministry such as altar serving, lecturing, or singing in the choir
 - Gathering supplies for a pregnancy care center

Unpaid work done for family members, for-profit businesses, or friends does not qualify as service hours for the John Carroll Christian Service Program.

Student Service Requirements for the JCHS Christian Service Program:

All students are responsible for completing a minimum of 100 total service hours prior to their Senior midterms. Of the 100 required service hours, 50 hours must be approved as outreach service. For each grade level, it is recommended students complete the following minimum outreach hours to remain on track for their final service requirement during their Senior year. However, it is the school's sincere hope that students begin to see their Christian service as an extension of their personal faith lives and therefore exceed these base requirements. We challenge all students to find a personal passion for service and respond generously with their time and talents!

Recommended Minimum Outreach Service Hours Per Grade Level

- 9th: - OUTREACH: minimum of 5 hours
- 10th: - OUTREACH: minimum of 10 hours
- 11th: - OUTREACH: minimum of 15 hours
- 12th: - OUTREACH: minimum of 20 hours

Hours must be submitted into x2VOL in a timely manner. Seniors are encouraged to log their hours prior to the last day of their midterms. Any additional hours MUST be submitted by Seniors on/before the last day of Quarter 3. For Grades 9-11, hours for a given school year must be submitted prior to the last day of school. Any hours earned during a given school year that are submitted after the final day of school may not be approved.

Students will complete a weekly service reflection as a part of their religion classes; this will be counted as a classwork grade each week. Service hours will no longer be counted as a part of a student's midterm/final grade; however, the school recommends that all students complete 25 service hours a year in order to meet the minimum required hours by graduation.

Please note that should a senior not have their required 100 hours prior to the last day of Quarter 3, he/she may not be eligible to participate in special events, such as Prom, GradBash, and Seniors' Last Day.

Transfer students: Please note that transfer students must also complete 100 service hours by the last day of their Senior midterms. During the enrollment process, transfer students must provide documentation from their previous school of previously earned hours

X2VOL (Intellivol):

JCHS partners with a student service tracking site, x2VOL.com, in order to organize and track student volunteer hours. x2VOL is the leading service hour tracking program in the country, with both a web-based application and an iPad application for student use. It is used by Catholic schools around the country to help students develop their commitment to service.

Liturgy

Liturgies are an integral part of the Christian community life at John Carroll High School. Attendance is mandatory for all students. Reverent and respectful behavior is essential. Although we do not compel students to profess any religious ideology, it is expected that all students, regardless of their beliefs, will participate in the religious services and are expected to conduct themselves respectfully and reverently during daily prayer, liturgy, and any religious service.

Parents further acknowledge that the school does not control or sanction any such program or activity and that it shall not be held liable for any injuries or damages sustained by students or others arising from participation in such program or activities.

ATHLETICS

Each participant in interscholastic sports must maintain a cumulative 2.0 unweighted grade point average according to Florida High School Activities Association rules and must display a spirit of cooperation in all school activities. Grade checks will be conducted for all student-athletes the first day of each week. If a student is found to maintain at least one "D" in any class, he/she will have one week to improve the grade; if there is not improvement by the following grade check, he or she will be academically ineligible to practice or play in any athletic sport until the grade is improved. The final responsibility rests with the student-athlete to confirm eligibility.

Unless express written permission is given by the athletic director to a particular coach, student-athletes must arrive at school on time each day. If a student misses the first full class period of the day or more, he/she may be unable to participate in any athletic practice or game on the day of the tardy. Exceptions: a doctor's appointment, a death in the family, or an appearance in court.

All students are automatically covered by school accident insurance as part of the registration fee. However, there is an additional fee for students participating in athletics. A physical examination is required for all athletic participants.

3. The student must place his/her name in nomination by a designated date for Student Government and student organization elections.
4. A student must be in good standing with the school and its administration in order to run for office.

UNIFORM POLICY

Rationale:

The school believes that students learn best when they present themselves in a professional manner and are free from the distraction of comparative dressing. To this end, the administration and staff at John Carroll have developed a uniform policy that promotes confidence and professionalism in personal dress. It is our belief that the practice of dressing professionally, instilled in students during high school, will follow them as they enter the workplace. Furthermore, as a Catholic community, we seek to uphold the dignity of those entrusted to our care as made in the image and likeness of God. Therefore, the school seeks to partner with parents and families to develop proper dress and grooming habits which will enhance students' confidence as learners and their dignity as individuals. Furthermore, a uniform policy promotes unity and conveys pride in representing one's school.

General Guidelines:

Overarching guidelines: Students are expected to arrive at and depart from school fully and properly dressed. This also includes going to and from any gym class. A belt must be worn with all shorts/pants. Shirts must be tucked in at all times. The final decision as to what constitutes acceptable dress and grooming rests with the administration, and the administration reserves the right to make changes at any time. The penalty for violations of these norms rests with the administration. Students and parents who have questions regarding the acceptability of certain

types and styles of clothing or grooming should consult with the administration before appearing in school wearing them.

Grooming: Unconventional or eccentric makeup, hairstyles, or unnatural coloring of any kind is not permitted. Partial head shaving/designs are not acceptable. Hairstyles must reflect a neat and clean appearance. Male students must be clean-shaven. If they are deemed to be unshaven, they must shave in the office before returning to class. **Men whose hair exceeds the back of their collars or their eyebrows/earlobes must pull their hair back into a neat and tidy appearance at all times.** Sideburns must be neatly trimmed. This policy may be enforced at all school events, both during and after school hours.

Miscellaneous: Jewelry is permitted but must not be excessive and is limited to bracelets, necklaces, and earrings. Male students are not permitted to wear earrings. Female students may wear two earrings in each ear. Nose rings and other visible body piercings or tattoos are not permitted. **Any tattoos must be covered at all times.**

Outerwear: The only permitted outerwear will be those purchased through the JCHS Adidas store, team athletic jackets/outerwear through Adidas, or items purchased from the St. Anastasia Uniform Store. If temperatures fall below 45 degrees Fahrenheit, additional outerwear may be permitted over John Carroll-approved outerwear. A dress code shirt must be worn under any type of outerwear. No hoodies are permitted.

Uniform Policy

All students will be required to purchase their daily school uniform through the uniform store at St. Anastasia School. Below is an overview of the daily uniform for students:

Fit Requirements

Ladies' Uniforms:

- ❖ **Skorts must fall *below* mid-thigh and cannot be rolled. The shorts inside of the skort may not ever be cut out of the garment. *Students not adhering to this policy may be asked to replace the skort at the expense of the family.***
 - JCHS will implement a three strike policy regarding improper skort length; wherein if a student is addressed three times they may be asked to wear pants for a determined period of time.
- ❖ All uniform bottoms must be of appropriate fit and not excessively tight in nature. As with all uniform items, the proper fit of all uniform bottoms is at the discretion of the Assistant Principal of Student Life.
- ❖ Administration reserves the right to require any student to purchase new JCHS uniform bottoms from the St. Anastasia Uniform Store should their previously purchased pants/skorts not follow the length and fit requirements stated above.
- ❖ All shirts must be tucked in at all times, and all tops must fit appropriately and not be oversized or undersized.

Men's Uniforms:

- ❖ Shorts/pants must be worn at the waist and must not be rolled/cuffed at the hem. As with all uniform items, the proper fit of all uniform bottoms is at the discretion of the Administration.
- ❖ Administration reserves the right to require any student to purchase JCHS uniform bottoms from the St. Anastasia Uniform Store should their previously purchased pants/shorts not follow the length and fit requirements stated above. Further, students may not wear any shorts or pants other than those purchased at the St. Anastasia uniform store. *Students not adhering to this policy will be asked to replace the shorts or pants with the proper uniform bottoms at the expense of the family.*
- ❖ Shirts must be tucked in at all times and must fit appropriately and not be oversized or undersized.

****Violation of these policies may result in a student's inability to return to school until the problem is resolved. ****

JOHN CARROLL SUBSTANCE ABUSE AND TESTING POLICY

RATIONALE

The school believes that students learn best when they are not suffering from the direct or indirect influence of vaping, drugs (which include nicotine), and/or alcohol abuse. The policies outlined in this section have at their core, the desire to assist our students to make the best

decisions possible during their time at John Carroll High School. It is our hope that our policies foster a lifelong understanding of the dangers of vaping, drugs, and alcohol abuse.

We understand that developmental issues may, on occasion, impede adolescents from making sound decisions. We also understand that public debate on these issues may give rise to assertions that certain substances are acceptable. Given these realities in the lives of the adolescents entrusted by their parents and guardians to our care, we have created a collection of three policy statements concerning the use of vaping, tobacco, drugs, and alcohol.

The first statement of the policy addresses the school's response to tobacco, vaping, and/or nicotine use.

The second statement of policy (identified as Health and Wellness) is designed to foster a community of substance-free learners who are well on their way to understanding how to make appropriate decisions concerning the use and abuse of vaping, alcohol, and drugs.

The third statement of policy (identified as Student and Campus Safety) is designed to intervene in the life of a student who chooses to bring drugs and/or alcohol onto campus or who chooses to attend an off-campus JCHS event under the influence of drugs and/or alcohol.

The following basic set of beliefs guide these policy statements:

1. We believe that students learn best when they are not suffering from the direct influence of vaping, drug, and/or alcohol use.
2. We believe that responsible alcohol use is a privilege and not a right, and that the only appropriate time to consume alcohol begins at the age of 21.
3. We believe that the use of illicit drugs is never acceptable and that adolescents do not have the privilege to engage in illicit drug and/or alcohol use.
4. We believe that the use of illicit drugs, even controlled substances that may be legal in some states, is not acceptable for students at John Carroll High School.
5. We believe that it is never appropriate for students to possess illegal/illicit drugs and/or alcohol, and/or vaping devices and/or vaping liquid in any form or substance.
6. We believe that it is never appropriate for parents to turn a blind eye towards alcohol consumption in their homes and that those who do so may be at risk of both violating the laws of the State of Florida and of subjecting themselves to potential civil liability.
7. We believe that possession/use of illegal/illicit drugs, vaping devices, and products, and/or alcohol by adolescents is not only illegal but that it can lead to serious legal issues impacting their futures and that it can negatively impact their academic and developmental progress.

I. Tobacco, Nicotine & Vaping Policy Focus

Tobacco, nicotine, and any vaping product are considered to be substances that are within the scope of our substance abuse policies. Tobacco, nicotine, and vaping products in all their forms are controlled substances for minors. Tobacco, nicotine, and vaping products are prohibited to

students on campus and at all school-related functions. Violators of this policy may receive a penalty of 50 demerits with a requirement to pay the resulting \$50.00 fine for the first offense (see Demerit Protocol). Additionally, based on recent studies which have linked the use of vaping products with student health concerns, if a student is caught using a vaporizing device of any kind, the following policy applies:

1. He/she must be cleared by his/her doctor with written notice of clearance in order to return to school the next day. Furthermore, the student will not be allowed to participate in any extra-curricular or athletic activities without said clearance. Students may be suspended from extracurricular and sports even with clearance. Subsequent offenses may result in additional fines and more serious disciplinary consequences. Those who engage in subsequent/multiple offenses of this policy may also face penalties up to and including suspension and/or expulsion.
2. If the vaping material is determined to be THC (marijuana), or any other illegal drug substance, the "Use And/Or Possession on Campus or at School Events" below will apply.

For the purpose of this policy, electronic cigarettes, Juul pens, and similar vaporizing devices are considered to be "tobacco" items under this policy regardless of whether or not they contain any substance or not.

II. Health and Wellness Focus – Routine Random Mandatory Substance Testing

Students must be empowered to make responsible choices concerning the role of alcohol and drugs in their lives. However, we also know that peer pressure and other influences may impair a student's ability to make a responsible choice. To this end, all students at John Carroll High School are subject to random drug testing throughout their careers at JCHS. Information gathered will be shared with parents/guardians and will be used to assist students in making responsible choices.

Positive results of testing under this Health and Wellness Policy may not lead to automatic disciplinary action, though multiple positive results may have disciplinary consequences.

In general, the process will operate in the following manner:

- Several times each year and without prior announcement, JCHS will randomly choose a group of students who will be required to submit to drug testing.
- The school will use a small, insignificant saliva sample to determine whether or not drugs have been used.
- A student who refuses to cooperate with the testing program may be subject to suspension or expulsion.
- Testing will begin as early as August and continue throughout the school year.
- All results will be sent to the Assistant Principal of Student Life.
- For those students whose results are negative, a phone call home to parents with the date of the testing being indicated.

- For those students with a positive result for drug use, the student and his/her parents/guardians will be required to meet with the student's Guidance Counselor and the Assistant Principal of Student Life. The following guidelines will be adhered to:
 1. *First Positive*
 - a. Students whose test results yield a positive for some drug use will do the following:
 - i. Students and parents will be given the information from the analysis report in a meeting with the Guidance Counselor and Assistant Principal of Student Life.
 - ii. As this is a first positive under the Health and Wellness Policy guidelines, there may be no disciplinary consequences or restrictions on co-curricular participation.
 - iii. The primary purpose of this meeting is to encourage the family to seek additional assistance from a medical professional or drug abuse specialist.
 - iv. If requested, JCHS will provide the names of drug or alcohol programs should the family desire those names. JCHS does not endorse any therapist or program over another.
 - b. Students with a "First Positive" will be tested again between 30-90 days after the first test.
 - i. If the "First Positive" retest yields a negative result, the student will be placed back into the random pool of test participants.
 - ii. If the "First Positive" retest yields a positive result, the student will be subject to the guidelines in the "Second Positive" category.
 - iii. PARENTS WHOSE SON/DAUGHTER IS RETESTED BECAUSE OF A "FIRST POSITIVE RETEST" WILL BE INVOICED FOR THE FULL COST OF THE SECOND TEST.
 2. *Second Positive*
 - a. If, after the first positive, test results are again positive for some drug use, it will be considered a "Second Positive" result.
 - i. Upon notification of the second positive result, the Assistant Principal of Student Life will confer with the Principal to determine whether or not the student may continue at JCHS.
 - ii. At the sole discretion of the Principal (in consultation with the Assistant Principal of Student Life), it may be determined that it is impossible/inappropriate for the student to remain at JCHS. Parents will be given a limited time to withdraw their student from JCHS. Should they not do so, the student is subject to immediate expulsion without further notice or process.
 - iii. It may be determined that a student with a "Second Positive" may remain at JCHS. The following conditions may apply:
 1. A student who falls into the "Second Positive" category may be automatically ineligible to participate in athletic or other co-curricular activities. The student may be ineligible for all

co-curricular activities until he/she has been tested and receives a negative result.

2. Students who demonstrate a “Second Positive” and who are allowed to remain at JCHS must undergo evaluation by a licensed therapist/psychologist/addiction specialist and share the written results of the evaluation with the student’s Guidance Counselor and the Assistant Principal of Student Life. Parents and the student must follow the recommendations of that evaluation and share documentation of completion of a course of therapy/ treatment that they have selected. Failure to do so will jeopardize that student’s continued attendance at JCHS.
 - a. Students with a “Second Positive” will be tested again between 90-120 days of the previous test. The full cost of this test will be invoiced to the parents.
 - b. If the “Second Positive” retest results are negative, the student will be released from all further therapeutic expectations (unless the parents choose to continue therapy) and will be tested again in 45 days. The full cost of this test will be invoiced to the parents.
 - c. If the 45 day retest result is negative, the student will be placed back into the random pool of test participants, and any restrictions on co-curricular participation will be lifted.
 - d. If the 45 day retest result is positive, the student will be subject to the guidelines of the “Third Positive” category.
 - e. **NOTE: A STUDENT WHO SUCCESSFULLY COMPLETES A DRUG INTERVENTION PROGRAM AND WHO MAINTAINS A NEGATIVE STATUS AS DESCRIBED ABOVE WILL BE PLACED BACK INTO THE POOL FOR FUTURE RANDOM TESTING. SHOULD ANY INDIVIDUAL IN THIS SITUATION TEST POSITIVE AGAIN, THEY MAY BE CONSIDERED A DISCIPLINARY RISK AND PLACED INTO THE CATEGORY OF “THIRD POSITIVE.”**
 - f. A STUDENT IS GIVEN ONLY ONE OPPORTUNITY TO SUCCESSFULLY COMPLETE A PROGRAM OF DRUG REMEDIATION AS A STUDENT AT JCHS.
3. *Third Positive*
 - a. If after the second positive, the test results are again positive for some drug use or if a student who was in the “Second Positive” category tests positive, the student’s result is considered to be a “Third Positive.”
 - b. A third positive will move the conversation from a “Health and Wellness” focus to a “Student and Campus Safety” focus (and will be treated as a “Second Offense”).

- c. The school may have no choice but to presume that, even after an extended period of support, the family and student are not making a good faith effort to improve the situation.
- d. A Third Positive will indicate to the school unwillingness on the part of the family and/or student to seek the help needed to remain substance-free.
- e. A Third Positive will lead to mandatory withdrawal or expulsion from JCHS.

III. Student and Campus Safety Policy Focus – Use And/Or Possession On Campus or at School Events

In all areas of student behavior management, it is incumbent upon a Catholic school to seek the formation of the young people in our care. In many matters of discipline, detention or suspension periods are necessary. However, when the use of drugs and/or alcohol occurs before, during, and after school events (including the normal day, during a school-sponsored trip/retreat/social event, etc), the severity of the use of illegal substances increases exponentially.

It is important to note that the sale or distribution of drugs or drug paraphernalia at JCHS or at JCHS-sponsored events held off campus may result in immediate dismissal. Similarly, the possession of drugs or drug paraphernalia at JCHS or JCHS-sponsored events off campus may result in either immediate dismissal or suspension (at the school's discretion).

If drugs, drug paraphernalia, and/or alcohol is/are found in the possession of a student at JCHS, on our campus or at an off-campus event/activity sponsored by JCHS, the student may be subject to immediate dismissal from the school. Students and parents should be aware that law enforcement intervention may be requested by the school in such circumstances. In some instances, the school may have no choice but to turn the matter over to law enforcement.

Possession of drugs, drug paraphernalia, and/or alcohol is destructive to all involved and destroys the trust required to build a Catholic, Christian community of mutual love and respect. There is no place at John Carroll High School for those who actively seek to diminish our community.

The school reserves the right to randomly test for alcohol and/or drug use at school-sponsored events both on and off campus. The school also reserves the right to test for alcohol and/or drug use should a student appear to be under the influence of an illicit substance.

John Carroll High School reserves the right to summon emergency medical personnel and/or law enforcement to transport intoxicated or drug-impaired individuals to either an emergency medical facility or a law enforcement facility.

Any costs associated with such an emergency response are the responsibility of the family.

Should a student be found or suspected to be under the influence in school or at a school-sponsored activity (whether on or off campus), the guidelines for the “Health and Wellness Focus” will not be utilized. Instead, the following will occur:

1. *For the First Offense:*

- a. A student may be suspended from school, his/her parents will be notified, and the suspension will remain in effect until a meeting is held with the administration to discuss the student’s continued attendance at JCHS.
- b. The student may be required to withdraw from JCHS. In the absence of voluntary withdrawal, the school reserves the right to immediately expel the student without further notice or process.
- c. If the student is allowed to remain in attendance at JCHS, the following minimum disciplinary sanctions may apply:
 - i. The student will be placed on General Probation and placed on a Behavior Contract, with specific stipulations determined by the administration.
 - ii. The student will be suspended from all co-curricular and athletic activities for a minimum of 15 school days.
 - iii. The student will be required to undergo regular drug testing at school at the expense of the student’s family.
 - iv. The student will be required to undergo a drug/alcohol assessment.
 1. The student and parent will share the written results of the assessment with the administration.
 2. The student and parent will agree to follow the recommendations of the assessment.
 3. Failure to engage in the assessment and/or to follow its recommendations will result in dismissal.
 - v. The student will be required to meet any other requirements established by the school.
- d. All testing and counseling sessions shall be the financial responsibility of the student’s family.
- e. Subsequent violation of this policy during a student’s career at JCHS (including a positive result on a random test) will result in mandatory withdrawal or, barring that, immediate expulsion without further notice or process.

2. *For the Second Offense:*

- a. The student will be required to withdraw from JCHS.
- b. In the absence of a withdrawal, the school reserves the right, at the sole discretion of the Principal, to expel the student without further notice or process.

Diocese of Palm Beach Office of Catholic Schools - Drug and Alcohol Policy

The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over-the-counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time

the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include expulsion from the school, even for a first offense.

Any student selling drugs on school property or at school functions may be immediately expelled.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods at the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense.

A school may conduct random searches as set forth in this handbook.

ATTENDANCE

Rationale and General Policies

Attendance regulations of John Carroll High School are based on Florida state law. In order for a student to grow academically, socially, emotionally, and spiritually, students should make every effort to attend school every day. Academic achievement is a result of various contributing factors, not the least of which is regular school attendance. Much more is learned in the classroom than is contained in a textbook, and a student profits most from his/her education when he/she plays an active and involved role in the learning process. Attendance at retreats, special events, and Masses are exceptionally important for all students, as these events are essential to our life as a Catholic school community. It is imperative that the following regulations are understood and adhered to by all JCHS students.

Throughout the school day, attendance will be recorded by each teacher for every class and monitored by the front office as an on-going process. Students and families should be aware that a student's daily attendance is based on an accumulation of class periods; five (5) class periods constitute a full day of attendance. For example, if a student misses two periods on Monday and three periods on Friday, these would accumulate into a full day absence.

- ❖ Students are permitted 8 absences total in a school year (this equates to 40 total class periods missed for both the first and second semester combined). All absences beyond the first 8 absences will be marked as "unexcused," regardless of reason and a student will then be placed on attendance probation per the JCHS administration.

- At five absences, students will be issued a warning on their record, and families will receive a notification of this warning.
 - For the first eight absences, the student has the same number of days as he/she was absent to make up his/her classwork; however, final determination on this procedure rests with the individual instructor. **Make up work is the responsibility of the student; as such, communication with his/her instructor is required.**
 - Students are not permitted to participate in sports, including practices or extracurricular activities on the day(s) of the absence(s).
- ❖ The school administration feels strongly that there is no reason for students to miss more than 8 absences in a total school year, barring outstanding circumstances (such as serious documented illness). Families need to make sure that all family vacations are planned for school holidays/summer, and that doctor appointments and other events/travel are scheduled before or after school.
- **College Visits:** Juniors and seniors are permitted 2 days each school year for visits to college and university campuses. Students must provide verification / documentation from the college itself upon return to school in order for the absence to be marked as a permitted absence internally.
- ❖ If a student surpasses 8 absences, regardless of the reason for the absence, these absences are coded as unexcused and he/she will be placed on attendance probation for 30 days with stipulations for their continuation as a JCHS student. All individuals on attendance probation are ineligible to participate in any and all JCHS extracurricular activities, including athletic practice and play, for the duration of the probation.
- Each attendance probation letter will spell out the particular consequences for a given student (such as service detentions, suspension from sports and other extracurriculars, suspension from events like Homecoming/Prom). In general, attendance probation will be in place for 30 consecutive calendar days. Should a student miss a day(s) during this timeframe, the 30 day period resets. The school administration reserves the right to amend this time frame for each individual student.
 - If a student continues to demonstrate poor or inconsistent attendance, the JCHS administration reserves the right to request a withdrawal from a family.
 - In order for an absence to be permitted during this 30 day period, students must provide third-party documentation.
 - **Academic consequences for unexcused absences:** An unexcused absence is one for which a teacher may or may not allow a student to make up / turn in missed work for full credit. Final determination rests with the individual instructor.
 - Students may be required to make up / turn in all missed work, including tests and quizzes, on the day of return from an absence. An alternate form of an assessment may be given. It is incumbent upon the student to make arrangements with his or her teacher to make-up the missed work if

allowed. Failure to do so in an expedient manner may result in a loss of credit for missed work.

- ❖ **Additional consequence for habitual attendance problems:** Students under 18 years of age who drop out of school (which is constituted by having 15 total absences within 90 calendar days) and have a driver's license may have their driver's license suspended by the Department of Highway Safety and Motor Vehicles, or may not be issued a license if they apply for one. (F.S. 322.091:1003.27 (2))
 ** Verbiage derived from the State of Florida

Compulsory education laws mandated by the State of Florida require regular attendance. Each parent of a child of compulsory attendance age is responsible for their child's attendance as required by law. For more information, access www.leg.state.fl.us. Lack of compliance with the school's attendance regulations may result in failure to earn class credit.

- ❖ **Excessive absences:** Failure to comply with the attendance policy may result in the withdrawal of financial assistance and state scholarship funding (if applicable) and/or the student's discontinuation as a JCHS student.

Attendance Records

1. Attendance records include the facts of all absences and tardies. It is worth noting that both absences and tardies are part of the student's permanent record. Such records may be reviewed by colleges in the application process.
2. Students with excessive tardies and/or absences may be prohibited from participating in school activities, events, athletics, and student government.

To Check a Student's Attendance/Tardy Record via FACTS:

- ❖ Log into your FACTS account (<https://logins2.renweb.com/logins/ParentsWeb-Login.aspx>)
- ❖ On the left side of the screen, click **MENU**
- ❖ Then, click **STUDENT INFORMATION**
- ❖ Then, click **ATTENDANCE**

Tardiness

Students are expected to allow themselves enough travel time to arrive at school on time. Upon arrival on campus, all students must remain on campus until dismissal unless specific permission by the administration is granted. Students driving their own vehicles are to display their parking pass at all times, park, and go directly into the school building. There is to be no loitering.

General Tardiness Policies

1. Tardy students cause disruptions and impede the learning process.

2. Students are expected to arrive at school on time and be present in their first hour class prior to the 7:50 a.m. bell.

Tardies To School Procedures

1. In the case of tardies to school, the parent or guardian should email attendance@johncarrollhigh.com between 7:30 a.m. and 9 a.m. and if applicable, send a note with the student on the day that the student comes in late documenting the absence from a third-party source such as a doctor's office. Any time a student is late in the morning, he/she must report to the front office to receive a tardy slip before reporting to class.
 - a. Each student is permitted eight tardies to school per semester.
 - b. A student who arrives at school after 10:00 AM may not be permitted to participate in school-sponsored sports and/or club activities.
2. After eight tardies in a given semester, a student will receive one demerit for each tardy.

Tardies To Class Procedures

1. Students entering class after the tardy bell will receive an unexcused tardy unless they have an eHallPass from another staff member.
2. For each unexcused tardy to class, a student will receive one demerit

Excessive Tardies

When a student has over 8 tardies in a semester, the administration may require an Attendance/Tardiness contract.

Early Dismissal - Appointment Procedures

A student who needs to be dismissed from school early for medical, death in the family, and legal appointments should follow the procedures below. Students and families should be aware that periods missed for early dismissals, excluding early dismissals for JCHS extra-curricular activities, will count towards a student's total period attendance.

1. Report to the Front Office before the first bell at 7:50 a.m. on or before the day of the appointment.
2. Present a signed written note or email attendance@johncarrollhigh.com from the parent/guardian containing the reason for the early dismissal, a verification phone number, the requested time of release from school, and when applicable, the expected time of return.
3. At times, it may be deemed necessary for the Office Manager to call a parent/guardian to confirm the details of the appointment.
4. Sign out in the Front Office upon departure.
5. Sign in and present valid documentation from the appointment facility to the Front Office upon return to school.
6. The school reserves the right to deny early dismissals if proper documentation is not provided.

7. Early dismissals on Mass or prayer service days may be approved in advance only for verifiable medical or legal appointments. Students must present a verifiable note to the Front Office before homeroom on the day of the Mass or other special schedule day. Final approval rests with the Administration.

MISCELLANEOUS

ACCIDENTS

An accident should be immediately reported to the principal by the staff member supervising the students. The school will, in turn, notify the parents of the student involved.

AUTOMOBILES AND PARKING

Students are permitted to drive cars to school provided the following conditions are met and subscribed to:

1. Students must possess a valid driver's license and register their vehicles with the school for a \$20 fee. Parking permits are limited to the number of available spaces.
2. Students are required to have a John Carroll Catholic High School parking sticker on each vehicle that they intend to drive to the school. This sticker must be displayed on the bottom of the driver's side windshield.
3. All student parking must be completely within the designated parking areas. Students are to park in the designated area west of our school. Faculty parking is in the area in front of the school and in the area immediately west of 300 Building and Guidance office. No students are to park in these areas at any time.
4. The school speed limit of 5 mph must be observed as well as all other laws found in the Florida Motor Vehicle Code. Violators are subject to disciplinary and/or legal consequences.
5. Students driving or riding as passengers must enter the building/courtyard area as soon as their vehicles are parked. No student is to return to his/her car at ANY TIME during school without administrative escort.
6. Parents are permitted to drop off students only in the front parking lot. We ask that parents do not drop off students in the student parking lot west of the school.
7. Violations of any of the above may result in a fine, suspension, loss of parking privileges, or other disciplinary action.
8. Individuals park at their own risk. John Carroll High School assumes no financial responsibility for vehicle damage for any reason or for theft of personal property occurring on campus.

BULLETINS AND ANNOUNCEMENTS

General information for the day, including specific instructions and notices of club meetings, athletic events, and social activities, will be included in the daily bulletin. The daily bulletin is emailed to students each day. Students responsible for bringing notices to the attention of the student body must have their notices approved by their organization's advisor.

Posters advertising school-approved events must be approved by the administration and must be hung using school approved painters tape. These posters must be removed after the event has taken place.

BUS TRANSPORTATION

Transportation Arrangements

Parents hereby acknowledge and agree that the school does not provide or arrange for student transportation to or from school, except as specifically set forth in writing by the school. Student transportation to and from school each day is a parental responsibility. The school does not authorize or endorse any private transportation arrangements. In limited and documented circumstances, a parent may engage a commercial transportation company to transport a student from school; however, any such engagement requires the written authorization of the school and the execution of school documents allowing for such an arrangement.

Bus Service

The Bus Service serves students (K-12) from John Carroll Catholic High School and St. Anastasia School. The Bus Service covers the geographical area from Vero Beach to Stuart where it is possible. It is intended to serve as a shuttle service with a limited number of stops. Every year, the bus routes are changed to adapt to those students who have registered for bus service. Riders are registered on a first-come, first-served basis. The JCHS Bus Service does not guarantee to meet the needs of all students.

Students who ride the school bus must obey all regular school rules as listed in this handbook. In addition, school bus riders must follow the five rules listed here:

1. Remain seated at all times while the bus is in motion.
2. Keep heads, arms, and feet inside the bus at all times.
3. Maintain absolute silence at railroad crossings.
4. No eating, drinking, or smoking is allowed on the bus.
5. Use the emergency exit only during an emergency.

The administration reserves the right to remove a student from the bus at any time without prior warning.

If a student fails to follow the rules, the following disciplinary actions will be taken:

1. First Offense: Warning
2. Second Offense: Three-day bus suspension
3. Third Offense: Suspension from the bus for the remainder of the year

Bus Payment Policy

The cost of the Bus Service is updated and posted on the school website each year. Parents must complete the Bus Registration Form and comply with the payment requirements laid out in the document each year. All outstanding balances owed to the Bus Service must be paid prior to registration for the new school year.

It is the responsibility of the parents to maintain their bus account. If payment is not made for two consecutive months, the bus riders will be suspended until all past due payments are paid.

CAMPUS VISITORS

All visitors to the John Carroll High School campus must check-in at the front office, produce a government-issued ID, receive a visitor's badge, and register on the Visitor's Sign-In sheet. At the conclusion of the visit, the visitor must sign-out on the sheet.

CHILD PROTECTIVE INVESTIGATIONS

Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

COMMUNITY SERVICE ACTIVITIES

Community service activities are not school activities and John Carroll High School does not mandate or direct any specific location or locations in the community where these services are to be performed. Students are free to select the location where they wish to perform community service so long as the location and the activity meet the requirements of the school. John Carroll High School does not operate or control the locations where students choose to perform community service and consequently the school, its agents, and affiliates do not assume responsibility for any injuries, damages, or losses incurred in the course of performing these services in the community. Students perform these services at their own risk.

ELECTRONIC ACKNOWLEDGEMENTS

Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking “submit” or “accept” on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, **Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE** to receive and be bound by electronic acknowledgments.

EMERGENCIES

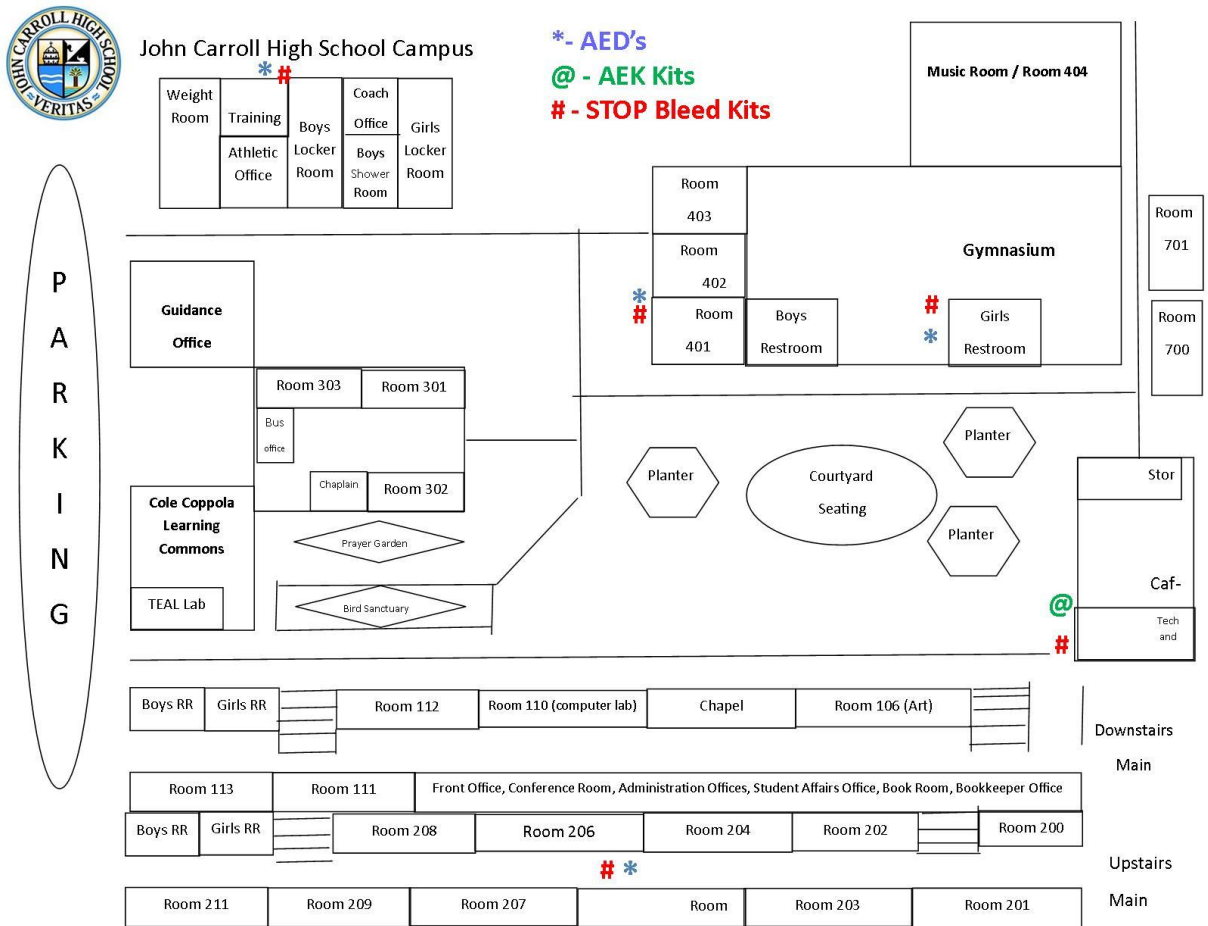

Automated External Defibrillator

An AED is used to diagnose urgently and treat ventricular fibrillation. An AED is attached to a victim’s chest to assess the heart rhythm. If appropriate, the device will recommend that a shock be delivered to restore a safe rhythm for the victim’s heart. The John Carroll High School AED is in the Athletic Director’s office, underneath the sign on the west wall.

Florida law allows for the use of an AED during an emergency for the purpose of attempting to save the life of another person who is, or who appears to be, in cardiac distress. Accordingly, Florida law also expressly provides immunity from civil liability for those who obtain and maintain AEDs and for those who use such devices to attempt to save a life. Specifically, the recent amendment to § 768.13(4) of the Florida Statutes which addresses the use of automatic

defibrillators defines the good Samaritan as follows: “Any person, including those licensed to practice medicine who gradually and in good faith renders emergency care or treatment by the use of or provisions of an automatic external defibrillator, without objection of the injured victim or victims thereof, shall not be held liable for any civil damages as a result of such care or treatment or as a result of any act or failure to act in providing or arranging further medical treatment where the person acts as an ordinary reasonably prudent person would have acted under the same or similar circumstances.”

John Carroll High School is committed to the health and safety of its students, faculty, staff, and visitors.

Fire Drills

Evacuation Signal: Continuous sounding of the buzzer system

Recall: Repeated short rings of the regular school bell

Important Information for Students

1. In each room, there is at least one sign marked “Fire Exit” which describes the “Primary Route” for that room. There is also at least one map of the school building on the wall in each room with arrows that illustrate this same “Primary Route.”
2. Students should pass to their predetermined location outside in a straight line, not passing one another and not falling far behind the person in front of them.
3. Absolute silence is required during a fire drill.
4. Fire drills are not the appropriate time to play, laugh, or visit.
5. If a fire drill is called during the change of classes, during an assembly, or during lunch, students should calmly and quickly form lines and go immediately to the nearest available exit in an orderly manner.
6. There should be no running during a fire drill.

Proper Sequence of Steps During a Fire Drill

1. Upon the sound of the alarm, the teacher instructs students to form a line at the door.
2. Teacher designates a student or students to close windows.
3. Teacher takes a class roster.
4. Teacher briefs line leader on route and destination.
5. Teacher opens the door, making sure the way is clear.
6. Students process out in an orderly manner.
7. Teacher makes sure that everyone is out of the room.
8. Upon reaching a predetermined destination, teacher checks roll to ensure the presence of each student in class.
9. Teacher reports anyone missing to a school administrator.
10. Upon the recall signal, classes return to the classroom by the same routes using the same doors by which they left.

Lightning Detection

The ThorGuard lightning predictor is located on the northwest corner of the roof of the field house. When lightning conditions have been recognized, a 5-second horn blast will warn all, and a strobe light will be activated on the roof. Shelter should be sought immediately by all participating in activities outside on school grounds. When weather conditions have been recognized as safe, three short 2-second blasts will occur, and the strobe light will cease to signal. Only then may normal activity occur outside.

Teams practicing outside should seek shelter inside a building such as the locker room, gym, or classroom. If sports contests are occurring outside, all must seek shelter. Officials may go to the Athletic Director’s office. John Carroll teams may go inside either locker room, classrooms, and the gym if they are not in use. Visiting teams should go to their team bus if no other room is available. Fans need to leave the site of the contest and go to their vehicles for shelter. All need to remain inside their shelters until the three short horn blasts occur.

Nuclear Evacuation

After meeting with officials from the St. Lucie County Department of Public Safety, Division of Emergency Management, the following plan was developed to respond to such unanticipated events as a civil emergency. The booklet prepared by Florida Power and Light in cooperation with the Emergency Preparedness Department of St. Lucie County provides a discussion on those actions the public would be asked to take in the unlikely event of an emergency at the St. Lucie Nuclear Power Plant. It is suggested that families obtain a copy of the booklet for their reference.

In the booklet, notification systems are discussed, as are plant safety and design, the severity of emergency categories, and radiation.

With regard to the actions to be taken for children in school, the brochure states that schools will follow their own procedures. John Carroll's plans for evacuating students are as follows:

1. No action would be taken at the classes of emergency designated as "unusual event" or "alert". These classifications generally involve a minor incident at the plant site that requires no public action.
2. In a "site area emergency" or "general emergency" which involves a more serious incident, evacuation may be required with students being transported to predetermined centers. This evacuation would be ordered by the Emergency Management Division via the special radio, installed by this organization, and housed in the school office. **IT IS RECOMMENDED AT THIS POINT PARENTS NOT ATTEMPT TO PICK UP STUDENTS AT THE SCHOOL.** Traffic would be unmanageable; law enforcement officers may restrict traffic in certain areas.
3. If evacuation is required, students from John Carroll would be transported to the St. Lucie County Fairgrounds on Midway Road, via school buses. This area would be supervised by teachers who will count and account for students until parents can arrive or until released by emergency officials. Students who are not picked up within several hours may be transported to Martin County if ordered by the Department of Public Safety. This move would take place only if it were in the best interest of the students' safety.
4. Local radio and television stations would announce when and where parents could pick up their children.

With everyone's cooperation, teachers and administrators will be able to concentrate on the safety and well being of all students. Remember that this situation is unlikely. Do not attempt to pick up students at school. Law enforcement officers will be controlling traffic.

Storm Policy

The students will remain in school when a tornado or severe storm warnings have been given. No student will be allowed to leave the building during the emergency. When notified by the administration, students in the main building and 300 building move to the hallways. Students in the 400 building and 700 classrooms remain in the classrooms and students in the gym will shelter in place. In cases of severe weather, should St. Lucie County public schools be closed, John Carroll High School will also close.

Other Emergency Situations

At various times emergency situations do occur in the community. At such times, please remain alert to JCHS social media pages and the local media and follow closure recommendations for the St. Lucie County public schools. Media will be notified if we must open or close independent of St. Lucie County Schools.

FACULTY MEETINGS

Professional Days, Staff Development Days, and other faculty meetings are incorporated into the regular school calendar in order to give teachers an opportunity to participate in diocesan in-service programs, to advance professionally by attending departmental meetings and educational seminars, and, in particular, to work toward the continued accreditation of the school by planning with the administration better ways of educating your children.

FUNDRAISING

No staff member, coach, organization, team, class, or student may solicit funds in the school's name unless such solicitation has been authorized in writing by the school's Director of Advancement and/or the principal.

IMMUNIZATIONS

The Diocese of Palm Beach requires that, prior to attendance in school, each student present or have on file with the school a certificate of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A Florida Certificate of Immunization (Form DH 680) completed by a health care provider participating in Florida Shots is required to document the administration of prescribed immunization doses or to document a permanent or temporary exemption therefrom. An exemption from immunization requirements is permissible only with a physician's certification as to the need for either a temporary or permanent medical exemption. An exemption from immunization requirements is not permissible for religious, philosophical, personal, or other reasons.

LOCKERS

Any student who would like a locker may request a locker from the Assistant Principal of Student Life at the beginning of the school year. The student must use only the locker assigned, and assigned lockers should remain locked at all times. All unused, empty lockers will be secured by the school. Upon request, a lock will be given to each student. Only John Carroll locks may be used.

The school is not responsible for items left in lockers. Lockers may be checked without warning or notice at any time for any reason by authorized school personnel.

LUNCH

Backpacks are not allowed at lunch. Students are expected to behave in a respectful manner at all times at lunch. Any acts of misconduct will result in disciplinary action including, but not limited

to, demerits or lunch duty. Students are required to clean up after themselves at all times. Students may not purchase food or drink between or during classes.

Students will not be permitted to buy lunch unless there is a positive balance in the student's lunch account. Hot, restaurant style and/or fast food lunch is not permitted to be delivered to school for students either by delivery services or parents; boxed lunches accidentally left at home or in the car and brought in by parents are acceptable.

MEDICAL GUIDELINES

Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

1. *An authorization form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.*
2. *Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.*
3. *While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.*

Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (EpiPen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases, Parents hereby release the school, the Diocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of those health care interventions that are beyond minor adjustments.

Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year. **By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Diocese of Palm Beach, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.***

SAFETY IN PRIVATE SPACES

John Carroll High School complies with the requirements of §553.865, Florida Statutes, The Safety in Private Spaces Act. Except where facilities are specifically designated as unisex, the school's bathroom and locker room/changing facilities are designated exclusively for use by biological females or biological males. Any student who willfully enters a school restroom or locker room/changing facility designated for the opposite sex and refuses to depart when asked to do so by any school personnel will be subject to disciplinary consequences as established by the school principal unless a specific statutory exception applies. This handbook provision shall be considered a part of the school's code of student conduct.

SCHOOL INSURANCE

All students are automatically covered by school accident insurance as part of the registration fee. However, there are certain points regarding this insurance which you should be aware of.

- 1. Claim forms must be submitted within 90 days of an accident, AND treatment must begin within the same 90-day period.*
- 2. This is a SUPPLEMENTARY POLICY. Full payment of all bills incurred on accidents is made ONLY IN EXCESS of any other family or employer group insurance or plan that must contribute its maximum BEFORE the school insurance coverage has any liability.*
- 3. There will be an extra charge for students participating in all extracurricular sports. Coverage will include tryouts, regular season games and practices, and post-season games.*
- 4. As with all insurance coverage, there are certain exclusions. Among these are injuries sustained while riding a two-wheel motor vehicle and injuries sustained as a result of fighting or brawling.*
- 5. Every student is covered when traveling directly and uninterruptedly to or from the student's home premises and school for regular school sessions, and when traveling in connection with activities solely sponsored and supervised by school authorities when such travel is under the direct supervision of the authorities of the school.*

SENIOR TRIPS

Although the school does sponsor and chaperone a trip to Universal Studios' "Grad Bash" for John Carroll seniors only, it in no way sponsors any other so-called "senior trip." Any absence for such a trip will be considered unexcused in all instances.

SEXUAL ABUSE ALLEGATIONS REPORTING PROCEDURES (Diocese of Palm Beach)

A person receiving an allegation of sexual abuse of a minor by Church Personnel must immediately report the allegation. Our policy requires priests to report allegations that are made in a spiritual counseling context, even though the law exempts ministers from the requirement of reporting. The

only exception to this is the confidentiality of the confessional. At the outset, families should be informed of this requirement.

STEP 1: *The person receiving the allegation immediately makes an oral report to 1-800-96ABUSE (1-800-962-2873). Notes should be taken including names, dates, and times, and a log should be kept of all telephone calls made.*

STEP 2: *The person receiving the allegation makes an oral report to the Chancellor of the Diocese of Palm Beach at (561) 775-9507, (cell 561-373-7990) who reports it to the bishop and diocesan attorney.*

STEP 3: *The diocesan attorney reports the allegation to the state attorney.*

STEP 4: *The person receiving the allegation informs the school principal, pastor, or the immediate appropriate authority.*

STEP 5: *The person receiving the allegation sends a written report to the Department of Children and Families within 48 hours. Instructions regarding information to be included in this report are available from your entity's pastor, principal, or administrator, or the Chancellor's office.*

SUPERVISION OF STUDENTS

John Carroll High School cannot provide unlimited supervision of its students. The school shall provide some type of supervision ten minutes before the beginning of school and twenty minutes after the conclusion of the scheduled school day. With this in mind, parents are to make their best attempt not to leave their student at the school during unsupervised times.

For those students involved in extracurricular activities, it is requested that parents pick them up immediately following the conclusion of the activity.

Confidentiality Statement

School officials including teachers, administrators and other paraprofessionals in the performance of their duties will have access to student educational records.

PARENTS/GUARDIANS, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE AND CONSENT to the disclosure of such records including the nature and existence of a disability, a medical/educational diagnosis, or any associated minor adjustments or accommodations made to such school officials with a legitimate educational interest in the information.

- Students must secure and maintain private passwords for network and Apple iPad access. This is important in order to protect the privacy of each student. Do NOT share personal passwords or usernames.

- The School respects the privacy of every student, faculty member, and administrator with respect to stored files and email accounts. However, if inappropriate use of email accounts or the School's network, including student/faculty handbook violations or harassment, is suspected, the school's administration has the right to view these files in order to investigate suspected inappropriate behavior.

Actions deliberately threatening, harassing, or intimidating an individual or group of individuals; placing an individual in reasonable fear of harm; damaging an individual's property; or disrupting the orderly operation of the school will not be tolerated.
- Apple iPads that are provided by the school continue to be the property of the school. Therefore, the school has the right to view all content at any time.
- Any electronic device used on the school network, even if privately owned, is subject to all policies and consequences of the AUP including: the right to view the content of the device at any time; the right to remove content from the device; and the right to retain the device in the school's possession if there is an infraction to the AUP that deserves that consequence, as determined by the School's administration.

- Unauthorized duplication, installation, alteration, or destruction of data programs, hardware, or software is prohibited.
- Data, programs, hardware, software, and other materials including those protected by copyright may not be transmitted or duplicated.

Consequences

Such consequences could include the loss of the privilege to use an iPad, the loss of the use of the iPad for an amount of time determined by the administration and members of the Technology Department, fines, disciplinary action, and possible legal action.
- These consequences apply to students participating in the Apple iPad program at the School as well as to students who are using the school's iPads off-campus.
- Any iPad with illegal or inappropriate software or materials on it will be reformatted or "re-imaged," and the student will be charged a \$25 AUP violation fee PER incident for this service. This amount may be increased for repeat violations.
- In the case of repeated Apple iPad abuse and/or damages, the school has the right to revoke the use of the school's Apple iPad and the student will be restricted to using it only on-campus. Repeated AUP offenses or Apple iPad abuses may lead to the loss of a student's privilege of using an Apple iPad on campus.
- Students are to report any known violations of this AUP to appropriate administrative staff members. Random checks of student Apple iPads will be conducted throughout the year to ensure that these policies are being followed.
- The School takes no responsibility for activities conducted on the Apple iPads or materials stored on the Apple iPads, or the school's network.
