

Investing in What Endures

One Mission. Two Opportunities.

Your gift to the John Carroll Fund provides immediate support for exceptional academics, faith formation, student life, and the opportunities that shape our students every day.

The *For Every Ram* Capital Campaign will ensure future generations of Rams benefit from outstanding facilities and learning environments.

JCHS Annual Fund

The John Carroll Fund, the heart of John Carroll's philanthropic program, supports academic, extracurricular, and spiritual experiences that form our students into tomorrow's servant leaders.

In addition to providing support for students, the John Carroll Fund supports professional development, day-to-day operations, campus improvements, and so much more. This coordinated campaign serves our current and future students and is the most important way to support JCHS each year. We invite you to prayerfully consider making a contribution to the John Carroll Fund.

For more information regarding how you can support John Carroll, contact Jessica Krueger at jkrueger@johnncarrollhigh.com.

A Vision for the Future

- Approximately **45,000 square feet of new academic space** designed for learning, collaboration, science, and spiritual formation
- **New classrooms and science labs** to support evolving academic needs
- **Flexible collaborative learning spaces** that encourage connection and engagement
- **A purpose-built chapel** at the heart of the building, reflecting Christ's central place in the mission of John Carroll
- **Campus-wide improvements** to parking, traffic flow, safety, the campus entrance, and community gathering
- An environment designed to **continue forming young people in faith, knowledge, character, and virtue** for generations to come

History in the Making

Dear John Carroll Family and Friends,

This fall marks an exciting new chapter for John Carroll as we publicly launch the *For Every Ram* Capital Campaign, the first comprehensive capital campaign in our school's history. Thanks to the generosity of our early campaign leaders, we are already building remarkable momentum toward a bold vision for the future.

As we move forward, we are guided by one simple message: **One Mission. Two Opportunities.**

- Support today's students through annual giving to the John Carroll Fund.
- Build tomorrow's John Carroll through a gift the *For Every Ram* Capital Campaign.

Together, these two initiatives strengthen one mission: ensuring John Carroll continues to thrive today while preparing confidently for tomorrow. We invite you to celebrate this exciting moment with us and consider how you can be part of building a future where Christ remains at the center and every Ram has the opportunity to flourish.

Thank you for believing in John Carroll and for helping us move boldly into the future.

God has great things in store,

Corey Heroux
President
John Carroll Catholic High School

FOR EVERY RAM

The Campaign for John Carroll High School

Continuing the Legacy.

For more than 60 years, John Carroll Catholic High School has provided a transformative Catholic education, preparing young men and women for college, careers, and heaven.

Founded in 1965, John Carroll has formed generations of students in faith, academic excellence, leadership, and service. More than a school, John Carroll is a family united in Christ, where students are challenged to grow intellectually, spiritually, and personally.

Over the past five years, our school has experienced unprecedented growth, and interest in a John Carroll education has never been stronger. This momentum is a tremendous blessing, but it has also revealed a growing need. Classrooms are at capacity, portable classrooms have become necessary, and demand for additional learning space continues to rise.

Today, John Carroll stands at a pivotal moment. As we prepare for the public launch of the *For Every Ram* Capital Campaign, we invite you to discover a bold vision that will strengthen our mission today while building the John Carroll of tomorrow.

Campaign Priorities

New 3-Story Academic Building

Featuring 16-18 classrooms, state-of-the-art STEM labs, and collaborative learning commons

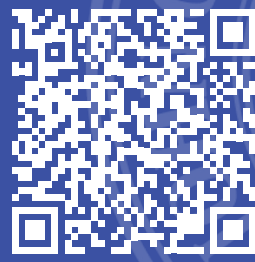

The Spiritual Heart

A purpose-built chapel seating 100+ students at the center of campus

Strategic Site Reorientation

Shifting the campus entrance to the west to improve safety and traffic

One Mission. Two Opportunities. Make Your Impact Today.
