

Turkey Drive

**Harvest Food &
Outreach Center**

Providing Food & Hope on the Treasure Coast

**Turkey Drive is simple,
the cause significant.**

Companies designate one day a week this Fall when employees wear jeans, jerseys, or hats to work for a nominal fee. For every \$9.60 raised, Harvest can purchase a turkey for a family with less means than themselves this Thanksgiving.

Excellent team building opportunity for staff while bringing awareness to hunger issues facing the local community.

Ideas:

- **Favorite NFL or College team jersey Day**
- **Jeans for Greens Day**
- **Casual Friday**
- **Hat day**

Start Date: September 30, 2013

End Date: November 16, 2013
