

FAFSA Season Opens On October 1: Are You Ready?

Dear Parents:

The Free Application for Federal Student Aid (FAFSA) is the first step in the financial aid process at all colleges and universities, and the window to apply is fast approaching.

The earliest the FAFSA can be submitted for the 2021-2022 school year is October 1st, 2020. We recommend you submit the form as soon as possible after that date, as awards are given on a first come, first served basis.

Families that don't think they qualify should still apply. FAFSA provides more than \$120 billion in grants, loans, and work-study funds each year. The enclosed forms are to help you begin gathering the information necessary to complete the FAFSA.

To help you start the FAFSA process, join Tom Pabin, Class 101 Founder and President, for a nationwide Zoom webinar on **Thursday, Sept. 17 at 7:00 p.m. EDT**. Class 101 is here to walk you through the process, or complete the forms for you.
